

4 SPIRITS DISTILLERY

4 Spirits Distillery produces unique, small-batch spirits with passion and a mission to give. Founded in 2011 by veteran Dawson Officer, the distillery remembers and honors four fallen comrades from the Oregon National Guard and continuously generates funds to support veteran reintegration programs in the state of Oregon.

4 Spirits is known for award-winning WebFoot and SlapTail vodka, which is slowly distilled from a corn base and then continuously charcoal filtered to ensure a clean and subtle finish (80 Proof, traditional). This vodka was created with martini enthusiasts in mind... and is perfect for Beaver and Duck fans! The only question is: Which side are you on?!

4 Spirits Bourbon Whiskey was released as a special tribute in memory of our four spirits, and recently received a prestigious Platinum medal at the 2013 International SIP Competition. Our bourbon pleases a wide variety of whiskey fans with smooth, ample notes of vanilla and caramel, 4 years of oak barrel age, and a hint of Rye (80 Proof).

4 Spirits Distillery is dedicated in honor of all U.S war veterans and active service members so that we should never forget their service and their sacrifice to our country. More specifically and on a very personal level, the distillery is named in memory of four combat soldiers who I served with in the Oregon National Guard 2 Battalion, 162 Infantry Brigade. They are Lt. Erik McCrae, Sgt. Justin Linden, Sgt. Justin Eyerly and Sgt. David Roustum. These four men lost their lives in 2004 serving in Baghdad, Iraq. We were combat soldiers at that time and fought side by side with each other in Delta Co. 2-162 Infantry. There isn't a day that goes by that I don't see their faces and think about their loss, and the events before and after their service to this country. I will forever honor their courage and sacrifice.
