

NEW DEAL DISTILLERY

New Deal Distillery provides high quality, craft-distilled spirits, inspired by the DIY spirit of Portland. All of our artisan vodkas are made locally in small batches with Bull Run water and natural and organic ingredients, sourced locally whenever possible. All we wanted, when we started, was to simply put one good bottle of vodka on a store shelf, have one person buy it, and maybe change humanity for the better along the way.

All of New Deal's artisan vodkas are made from Bull Run water, in small batches, with natural and organic ingredients. At New Deal Distillery we offer high-quality, craft-distilled spirits made in Southeast Portland, Oregon: from our classic Portland 88 Vodka noted for its clean, crisp taste - to our sippable, New Deal Vodka, recognizable by its subtle herbal notes - to our spicy and smoky Hot Monkey Pepper-Flavored Vodka - a Gold Medal Winner at the 2008 San Francisco World Spirits Competition.
