Kathleen Haley, J.D., Executive Director
Oregon Medical Board
1500 SW First Avenue, Suite 620
Portland, OR 97201

Dear Kathleen and OMB Members and Supporters:

When an entity reaches its 125 anniversary, it's a milestone to celebrate. But when that organization is marking 125 years of protecting the health and well-being of Oregonians in every corner of the state, it's especially inspiring.

Congratulations to all of you at the Oregon Medical Board on this momentous occasion. Though I can't celebrate with you in person, I am sending my heartfelt appreciation for your critical role in ensuring that Oregonians have access to high quality health care from courteous and caring professionals.

Your success over the past 125 years bodes well for the state's future. Thank you for your commitment to excellence and professionalism and congratulations again on this significant anniversary.

Sincerely,

John A. Kitzhaber, M.D.
Governor
