

DIAMONDS IN THE ROUGH GRANT

2017 GUIDELINES

STATE HISTORIC PRESERVATION OFFICE, OREGON HERITAGE

"Diamonds in the Rough" grants are to restore or reconstruct the facades of buildings that have been heavily altered over the years. The purpose is to return them to their historic appearance and potentially qualify them for historic register designation (local or national). These grants are part of the SHPO's Preserving Oregon Grant Program.

Grants must be submitted through the Oregon Parks and Recreation Department Grants Online program.

FINANCIAL INFORMATION: Grant funds may be awarded for amounts up to \$20,000.

MATCH: Grants must be matched 1:1 by the grantee. Match can be in the form of cash, in-kind donations, and volunteer time.

BUDGET INFORMATION: Bids and estimates strengthen the grant request when applicable.

PRESERVATION REQUIREMENTS: The application must convey that all work will be completed using the Secretary of the Interior's Standards for Rehabilitation of Historic Properties.

GRANT REPORTING AND PAYMENT: Awarded projects will be the subjects of binding agreements between the State and the applicants. Typically, grant funds are dispersed on a reimbursable basis. Details of payment arrangements and grant reporting will be provided at the time of award.

GRANT TIMELINE:

Deadline – May 12, 2017 (11:59pm)

Notification – July 1, 2017

Reporting deadline – May 15, 2018

HISTORIC PROPERTIES GRANTS ELIGIBILITY:

- Buildings must have heavily modified primary facades and
 1. Clear evidence that substantial portions of the historic facades are still there, covered by newer materials, or
 2. Historic photos or original drawings that provide clear evidence for guiding the restoration/reconstruction. Lower priority will be given to applications that propose work based on speculation or generic designs rather than historical evidence for that specific building.
- Funds from this grant program may not be claimed for the federal rehabilitation tax credits.
- Buildings taking advantage of Oregon's Special Assessment of Historic Properties program may qualify if they meet the "heavily modified primary facade" requirement.
- All work must meet the Secretary of the Interior's Standards for Rehabilitation of Historic Properties; see <http://www.nps.gov/history/hps/tps/tax/rhb/stand.htm>.
- New additions are not eligible for funding.

APPENDIX B

RECOMMENDED ACCOUNTING PROCEDURES

In any program where reimbursement is requested for a portion of project costs, or matching share is claimed, adequate records are essential. There should be definite supporting evidence for EACH item of cost claimed, estimates are not sufficient. While these may not be required for reporting purposes, they are recommended for your record keeping in case of audit. The procedures below may not apply in every case, so look through them and identify and use those that are relevant to your project.

Contact Kuri Gill at Kuri.Gill@oregon.gov, or phone 503-986-0685 if you have questions.

In order to promote a better understanding of the records required and to avoid the possibility of having costs disallowed at the time of audit, the following accounting procedures are suggested:

- Establish a separate account for each agreement project.
- Maintain the account so that it includes the project name, and lists payment for salaries and wages, contracts, equipment, materials and supplies, and other items that conform to categories listed on the grant reimbursement request.
- Each entry in the account must be cross-referenced to a voucher, payroll invoice or other supporting document. Each payment must be supported by a cancelled check or warrant, available in the grantee's records in the event of an audit. DO NOT SUBMIT CANCELED CHECKS.

The following paragraphs provide you information about the specific budget categories:

Professional Contractor or Consultant

Proper contractor or consultant selection procedures must be followed and proper documentation maintained for audit, or contract costs are subject to disallowal.

Payments made by the grantee should be supported by a statement or invoice from the consultant. The consultant hours do not need to be broken down if contracted in a lump sum, since the consultant agreement should state a total contracted amount.

Payments made include fee for service, salary, per diem, payment for the travel, or other allowable services.

Employees

When a staff member is involved in a grant project, payrolls should be signed by an authorized person and wages paid should be supported by time and task tracking records for each employee. Records (daily, weekly, or monthly) must show total daily hours for each project and description of work performed. Fringe benefit rates should be developed using actual costs, and individual components should be identified. Documentation should show how rate or cost was derived. This amount must be traceable through the grantee's records.

Travel

State guidelines require that all mileage rates do not exceed the maximum state rate, which is generally the same as the standard Internal Revenue Service rate. The reimbursement request must show the name of the individual, time of departure and return, dates, mileage (odometer readings or locations),

meals claimed, and purpose. A copy of lodging receipts for overnight travel must be maintained. Contact Kuri Gill at Kuri.Gill@oregon.gov or (503)986-0685 for current rates.

Materials and Equipment

Value and Use of Owned Equipment

Equipment value (for owned equipment) should be supported by time records and by a schedule of hourly rates developed from actual historical costs, or in the event no previous cost data exists, from reasonable estimates of such factors as useful life, annual hours or use, insurance premiums, etc. These estimated rates must be adjusted each year based on the previous year's actual costs.

Equipment Rental (Outside)

Payments made by the grantee for equipment rented for specific project area are generally allowable under state regulations. Payments made by the grantee must be supported by a statement or invoice from the vendor that indicates the time period the equipment was rented.

Materials and Supplies

Supplies and materials charged to the project must be supported by supplier's invoices or receipts. The original or a photocopy of the cancelled checks must be available for a field audit. **DO NOT SUBMIT CANCELLED CHECKS IN YOUR REIMBURSEMENT REQUEST.**

Printing, Publication Design, etc.

If you make, design or print a publication as part of your project, include those costs here. The costs can only be paid if a statement recognizing the grant contribution is included.

Value of Contributed Goods and Services

Valuation of In Kind Contributions from Third Parties

The value of labor, materials, equipment usage, etc., donated by sources other than the grantee may be included on the Payment Request Form only if documented. Documentation can be a sheet with work done and hours worked recorded and signed by the project manager and the volunteer.

a. Valuation of volunteer service

- Volunteer services may be furnished by professional and technical personnel, consultants, and other skilled and unskilled labor. Volunteered services may be counted as matching share if they are a necessary part of the project.
- Rates for volunteer services may not exceed Oregon minimum wage, except in those instances in which the volunteer is using their professional skills for the grant assisted work. For example, if a carpenter or bookkeeper donates carpentry or bookkeeping services to the project, these services may be valued at the hourly rate the carpenter or bookkeeper would normally charge.

In such cases, the donor must sign a brief statement that notes the donor's usual occupation, intent to donate their usual services, and the date. These statements are then submitted with the reimbursement request.

b. Donated Materials Invoices, where applicable, must be marked "donated" and signed, and submitted with the reimbursement request.

c. Donated Equipment Invoices, where applicable, must be marked "donated" and signed, and submitted with the reimbursement request.
