

HISTORIC CEMETERIES GRANT

INFORMATION

2017

OREGON COMMISSION ON HISTORIC CEMETERIES, OREGON HERITAGE

The Oregon Commission on Historic Cemeteries is pleased to announce the new round of Historic Cemeteries Grants. OCHC grants are intended to provide financial assistance in the following general categories: Protection and Security, Restoration and Preservation, Education and Training, Research and Interpretation. Eligible projects may include, but aren't limited to: security fencing or lighting, skilled monument repair or training, conservation of historic elements such as fencing, curbs, markers, etc., documentation and mapping, signage, landscape restoration, planning and interpretation. The funds allocated by the State through the Oregon Parks and Recreation Department will be available to support the preservation of historic cemeteries throughout Oregon.

Grants must be submitted through the Oregon Parks and Recreation Department Grants Online program. There will be two grant cycles in the 2017-2019 biennium.

FINANCIAL INFORMATION: Typical awards are in the range of \$1000-\$8000.

MATCH: A dollar match for funds requested is not required, though we encourage you to seek local funding in addition to your grant request. Local financial support allows the program to assist more historic cemeteries and fosters local support for the cemetery. Match can be in the form of cash, in-kind donations and volunteer time.

BUDGET INFORMATION: Bids and estimates strengthen the grant request when applicable.

PRESERVATION REQUIREMENTS: The application must convey that any reparation will be completed using appropriate preservation practices. Please specify how the work will be completed and/or include references for past work completed using appropriate methods. The National Park Service, the Association for Gravestone Studies, the National Preservation Institute and the Oregon Commission on Historic Cemeteries all offer information on preservation practices in historic cemeteries.

GRANT REPORTING AND PAYMENT: Awarded projects will be the subjects of binding agreements between the State and the applicants. Typically, grant funds are dispersed on a reimbursable basis. Details of payment arrangements and grant reporting will be provided at the time of award.

GRANT TIMELINE:

Deadline – May 2, 2017 (11:59pm)
