RULE SUMMARY

ORS 390.180 (1) authorizes the Director of the Oregon Parks and Recreation Department to adopt administrative rules that establish a master plan for each state park. Accordingly, OPRD is adopting a new master plan for Jessie M. Honeyman Memorial State Park. Master Plans for state parks are adopted as administrative rules under OAR 736-018-0045. The purpose of amending OAR 736-018-0045 is to adopt the new master plan as an Oregon Administrative Rule.

The master plan responds to the most current information on park resource conditions and public recreation needs as they pertain to the park. The plan was formulated through OPRD's mandated master planning process involving meetings with the general public, an advisory committee, recreation user groups, and affected state and federal agencies and local governments.

The agency held a public hearing and solicited public comments. The park master plan to be adopted through the rule amendment has no affect on small businesses. However businesses have had the same opportunities to be involved, through the public meetings, written opportunities, as other members of the public.
