Fees

Fees, as established by the Board of Geologist Examiners, are:

Examinations

- (1) Fundamental Section of the national examination for Geologist registration — an amount equal to the actual cost of purchasing this portion of the exam from ASBOG.
- (2) Practice Section of the national examination for Geologist registration — an amount equal to the actual cost of purchasing this portion of the exam from ASBOG.
- (3) Examination for Engineering Geologist certification — \$200.00.
- (4) Manual rescoring or proctored review:
 - (a) For ASBOG manual rescoring request only — an amount equal to the actual cost charged by ASBOG for this service;
 - (b) For ASBOG proctored review request only — an amount equal to the actual cost charged by ASBOG for this service; and
 - (c) In addition to (a) & (b) and for all Certified Engineering Geology exam-related requests, an amount payable to the Board for the actual administrative costs of providing the service, including any costs for staff or Board member time, copies, postage, and other processing costs, up to a maximum of \$100.00 payable to the Board per request.

Registration and Renewal

- (5) Geologist-in-Training initial registration and annual renewal — \$50.00.
- (6) Geologist initial registration and annual renewal — \$100.00.
 - (a) For a Geologist-in-Training issued an initial geologist registration, a prorated fee is refunded at the time of the initial issuance of registration to account for the remaining time period covered by the last annual registration fee paid for Geologist-in-Training registration.
- (7) Engineering Geologist initial certification and annual renewal — \$75.00. Engineering Geologist must have a current Geologist registration.
 - (a) For a Certified Engineering Geologist, the initial certification fee for the specialty registration is prorated to set the renewal date concurrent with the registrant's existing geologist registration.

(8) Duplicate or replacement of lost, destroyed, or mutilated registration card or wall certificate —\$25.00.

(9) Restoration (late) fee if postmarked:

(a) One to ninety days after due date: \$25.00;

(b) Ninety-one to one-hundred seventy-nine days after due date: \$50;

(c) Over one-hundred seventy-nine days after due date: \$100.

(10) Renewal of registration by Geologist, if registrant is 70 years of age or over by renewal date — \$15.00.

(11) Renewal of certification by Engineering Geologist, if registrant is 70 years of age or over by renewal date — \$15.00.

Miscellaneous

(12) Application Fee — \$75.00. This fee is to accompany any application for registration or examination and any reapplication for examination.

(13) Temporary Permit Fee — \$100.00. This fee is to accompany any notification per 672.545(3)(b).

(14) File Maintenance Fee — \$25.00 per request. This fee is to cover maintaining examination files for passing examinees who do not register in Oregon.

DIVISION 15

RENEWALS, RESTORATIONS

809-015-0000

Renewal

(1) Annual registration renewal date is as follows:

(a) For a Geologist-in-Training, the last day of the month of the initial date of issuance;

(b) For a Registered Geologist, the last day of the month of the initial date of issuance;

(c) For a Certified Engineering Geologist, the certification renewal date is set concurrent with the geologist registration renewal date as specified in (b).

(2) Renewals filed with the Board after the renewal date are subject to a restoration (late) fee as specified in OAR 809-010-0001.

(3) Expiration date for purposes of annual renewal is the next calendar day after the renewal date. If a renewal, including payment of fees, is not completed on or before the renewal date, then the registration is not active unless restored. This is also referred to as lapsed registration. Restoration of registration must be completed as specified in OAR 809-015-0005 in order for the registrant to publicly practice geology under the registration.

(4) As part of a renewal application, a registrant shall verify, and update as applicable, the following contact information:

(a) Home (personal) mailing address and phone number;

(b) Work mailing address and phone number, if applicable;

(c) One preferred mailing address, i.e., home (personal) or work; and

(d) One preferred email address.

Restoration

(1) A registration not renewed on or before the renewal date may be restored to active status within five years of the renewal date without reapplication or retaking of an examination.

(2) To restore a registration, a Registered Geologist, Certified Engineering Geologist, or Geologist-in-Training must make a written request to the Board for restoration and pay:

(a) The applicable annual registration fees for all years in which the registration was not renewed;

(b) The annual renewal fee for the current year; and

(c) The applicable restoration (late) fee.

Non-restoration

(1) After five consecutive years of non-renewal, a registration can no longer be restored.

(2) A person past the 5 year restoration window must re-apply as a new applicant, meeting all current Board requirements for registration. This includes but is not limited to passage of national and specialty examination required by the Board unless previously passed as verified by the Board.

(3) Upon application to the Board for a new registration, a previous registration number shall not be reinstated.

Reissuance of Revoked Registration

At its discretion, the Board may reissue a revoked certificate of registration according to ORS 672.685 under the following conditions:

(1) Submission of a written request for reissuance by the revoked registrant;

(2) Receipt of written documentation demonstrating good cause to justify the reissuance;

(3) Submission of all application materials meeting the requirements for first-time registrants as prescribed in Qualification Standards and Experience, OAR 809-30-0000 through 809-30-0025, and all relevant registration and application fees as prescribed in Fees, OAR 809-010-0001;

(4) Take or retake and pass the ASBOG fundamental and practice examinations, and specialty examinations as applicable.

Responsibility to the Board

(1) A geologist, when requested by the Board, shall respond to communications from the Board within 21 days after notification is mailed. Mailed means sent via United States post with proper postage and addressed to the registrant's preferred address of record on file with the Board.

(2) A geologist shall notify the Board within 30 days of any change in the personal contact information as required in OAR 809-015-0000(5). This notification is in addition to any updates provided as part of a registration renewal. Updates may be provided by written letter or email to the Board office. A geologist may also provide updates through an online portal, where made available by the Board.

(3) A geologist, when requested by the Board, shall present information and assistance to the Board in pursuing violations of laws and rules relating to the practice of geology in the State of Oregon. A geologist shall not dismiss from his employment, or take any other sanction against another geologist because of the other geologist's compliance with this, or any other subsection, of the Code of Professional Conduct, ORS Chapter 672, or the related administrative rules.

Complaint Investigations

(1) "Complaint" is any issue related to compliance with the statutes and rules the Board administers or enforces in ORS 672.505 to 675.705 and OAR Chapter 809, including but not limited to: the public practice of geology or offer to publicly practice geology by an unregistered person and the alleged or apparent non-compliant conduct or practice of a registrant that comes to the attention of the Board by any means, including through the filing of a written complaint as provided in ORS 672.665. A complaint may be initiated by the Board or its designee.

(2) "Complainant" refers to the person or group of persons filing a written complaint with the Board or the Board itself in a Board-initiated complaint.

(3) "Investigation" is the process of Board review, inquiry, research, analysis, and determination of a complaint.

(4) "Respondent" refers to a person who is the subject of a Board investigation.

(5) Complaint Investigation Process:

(a) The primary objectives of the Board in the investigation of a complaint are to safeguard the health, safety, welfare, and property of the people of Oregon and regulate the public practice of geology. The primary purpose of investigation is to determine whether one or more violations of statutes and rules administered by the Board occurred and to take action where appropriate.

(b) For complaints that are not Board initiated, the following apply:

(A) The complaint must be in writing and sworn to, where sworn to means the complainant declares by signature under penalty of perjury that the statements and information in the complaint are believed to be true;

(B) Receipt of all complaints filed with the Board will be acknowledged by the Board staff;

(C) The complainant will not be considered a party to the case; and

(D) The complaint will be initially reviewed by the Board Administrator to assess Board jurisdiction and authority to address the issue(s) raised.

(i) If the complaint appears to the Board Administrator to be within the Board's jurisdiction and authority, an investigation may be opened by the Board Administrator.

(ii) If the Board Administrator is unsure whether the complaint is within the Board's jurisdiction and authority, the complaint will be taken to the Board for a determination of whether to open an investigation.

(c) For all investigations, the Board Administrator oversees the investigation process on behalf of the Board and serves as the primary point of contact.

(d) The Board may delegate its investigative powers and authority for purposes of initiating and carrying out investigations.

(e) The Board Administrator or Administrator's designee will carry out the recommendations or decisions of the Board, including but not limited to: preparing and signing documents such as requests for additional information, letters of concern, settlement proposals, notices of intent, and orders, securing technical reviewers and investigators to assist with investigations, and closing out cases.

(f) To the extent permitted by law, the Board will cooperate with other licensing boards and other agencies when conducting an investigation.

(6) Response to the Board:

(a) The respondent will generally be given an opportunity to provide a written response to the complaint as part of a Board investigation.

(b) Written response, records, or other information requested on behalf of the Board must be provided to the Board office within 21 calendar days after the Board request is mailed, unless an extension is authorized by the Board Administrator.

(A) For a registrant, mailed means sent via United States post with proper postage and addressed to the registrant's address of record on file with the Board.

(B) For a non-registrant, mailed means sent via United States post with proper postage and sent to the last known address in the Board's case file.

(c) A registrant of the Board must fully cooperate with a Board investigation, including but not limited to providing a timely response to any Board request under (6)(a) and (b). A registrant's failure to cooperate constitutes misconduct under OAR 809-020-0030.
