OSP Fish and Wildlife troopers are asking for your help in Newport.

On November 3, troopers from the Oregon State Police (OSP) located two deer carcasses which had been dumped near a Hancock Timber gate off of Hayes Creek Road. Hayes Creek Road is located off Highway 20, at milepost 21, in Lincoln County. Rib and neck meat had been left on both carcasses along with a bag of meat scraps. By the time troopers found the carcasses, the meat was spoiled; troopers estimate between 35-40 pounds of meat was wasted.

The Oregon Hunter's Association, in cooperation with Leupold and Stevens, are offering a $250 reward for information leading to the arrest of the suspect(s).

If anyone has information regarding these deer, please contact Trooper Heather Van Meter with the Oregon State Police, Newport Area Command at 541-270-9637.
