Guest Speaker - Tuesday May 6th 2014

Willie Bence currently serves as the American Red Cross Disaster Program Manager for Washington, Columbia, Yamhill and Tillamook Counties. Prior to taking this position in December of 2013, he spent the past two years as an AmeriCorps member with the Red Cross in Northern California. He brings with him a wealth of experience in working with volunteers, coordinating disaster response activities, and delivering preparedness presentations. Willie has experience on national disaster response operations and has served as a liaison with local governments and partner agencies. Willie also served as the Interim Regional Readiness and Response Manager in his region. Willie earned a BA in Black Studies from the University of California and is currently working towards a MA in Emergency and Disaster Management from American Military University.
