2013 Goals

- Conduct six (6) Phase I plan reviews.
- Work with Linn and Benton Emergency Management to coordinate Linn-Benton Alert notification procedures with emergency responders to inform businesses and residents of emergencies that have occurred near them, and provide appropriate action they should take.
- Provide three (3) membership training sessions to take place at a regular scheduled meeting.
- Participate in two (2) outreach projects to promote the Mid-Valley LEPC.
- Work with the State Fire Marshal's Office to contact four non-participating EHS facilities and invite them to attend the Mid-Valley LEPC meetings.
- With the support and participation of emergency responders, create a job aid to assist in determining when and how an evacuation or shelter-in-place action will occur.
