

Morrow County Local Emergency Planning Committee
Port of Morrow Building, 2 Marine Dr. Boardman, Oregon
May19, 2015

Agenda

10:00am ~ Call the meeting to Order:

- A. Review and approve the March 17, 2014 meeting minutes:

- B. Review any 'Lessons Learned', any information to share with committee members that could help others improve safety and/or communication within our group and/or the community.

- C. Emergency Response Plan Grant Submittal & Progress

- D. Subcommittees Reports:
 - 1. Information & Emergency Response – Travis Hyder
Review actions in the previous Minutes

 - 2. Training –Mike Garrett
Confined Space Training?

- E. Old Business
 - Ask for Emergency Response Plans, following facilities still not on file:

 - Other?

- F. New Business
 - Hermiston Fire Department Request for Industry Support- opportunity to have private industry collaborate with HFES in possibly building and improving our training center to provide fire, rescue and confined space trainings. BMCC has put a significant amount of money in their upcoming bond to support the new fire science program there to help build a training tower at station 3. What would be the best way to see if private industry in Morrow county would want to partner in this project to build a regional training facility? This would enable regional industry and fire/rescue personnel to receive training, such as, confined space, rope rescue etc... here locally instead of traveling out of the area as far as TEEEX in Texas. If you would like to meet let me know.

 - Other?

****PLEASE STACK CHAIRS ALONG WINDOW WALL****

Next meeting: July 21, 2015 10am
