

FIREWORKS

The Roles of OSFM & Local Agencies

Oregon Revised Statute 480.111-480.165 grants authority to specific entities to conduct certain activities. Under these ORS's the OSFM is mandated to issue fireworks permits for the use of Pest Control (Agricultural) fireworks, the display of non-consumer fireworks, and the sale of both display and consumer fireworks. The OSFM Regulatory Services Unit also provides information regarding the fireworks statutes and rules; helps facilitate assistance from OSP when appropriate; provides guidance and information to local law enforcement agencies regarding seizure, storage, and pick up of fireworks; and help facilitate the destruction of seized fireworks.

The fireworks statutes provide for local authorities to control fireworks in their communities.

- **ORS 480.140** places the supervision of fireworks displays under the local fire and police agency or in unprotected areas, the county court.
- **ORS 480.160** has provisions for local regulation of fireworks.
- **OAR 837-012-0860 (9-11)** requires displays to be postponed or discontinued by the local authority if there are adverse conditions, lack of crowd control, or significant weather conditions that affect safety recognized by the local fire or law enforcement authority.
- **ORS 480.120 (2)** requires law enforcement agencies of the state, county, or municipality to enforce the provisions of ORS 480.111-480.165.
