

**FIRE  
WARNING**

**BEFORE YOU GO OUT,  
BLOW IT OUT!**

Oregonians love candles. In some households, you'll find candles in every room. But an unattended, abandoned or casually placed candle can quickly cause a devastating fire. Be aware, keep an eye on burning candles.

A Message from the Oregon Life Safety Team: A Coalition of  
Fire Service, Community and Insurance Professionals

**HOME FIRE  
SAFETY**  
IS UP TO YOU!
