Introductions were made.

Minutes from the July TTAC meeting in Salem were approved.

**QUARTERLY TEAMS TRAINING & OUTREACH REPORT**

A quarterly training and outreach report was provided by each team present.

**NFPA 472 COMMITTEE UPDATE ~ Mariana Ruiz-Temple, OSFM**

Has been review and approved by the Fire Board and sent out for comments with no comments received. It is currently being reviewed by the Attorney General's office and should be out within the next two months.

**OUTREACH COMMITTEE UPDATE ~ Tracy Fox, HM01 Douglas Co**

The committee has completed updating the brochure and DVD. The TTAC committee watch the updated video. Each team present was provided copies of the DVD and brochure. If your team needs more brochures or DVDs please contact Jamie Kometz, OSFM.

**TASK BOOK ~ Jamie Kometz, OSFM**

Per contract the Task Books reporting form is due to OSFM by the 10<sup>th</sup> of January each year. Our current Task Book cycle ends December 31<sup>st</sup>, 2009. The Task Book reporting form is available on OSFM's website.

**2010 CONFERENCE UPDATE ~ Jamie Kometz, OSFM**

Registration for the 2010 HazMat Conference will begin on December 1, 2009. It will be open only to team members until early 2010 and then open to all other agencies. Please have your team members register as soon as possible so that they can get first pick of classes being offered before it is opened to the public. This year registration will be done online. Registration is currently open for exhibitors and sponsors, and we have two already registered for the conference.

Classes being offered this year include: Explosive Labs, Sampling, Radiation, Bulging Drums, Ammonia, Tank Truck Emergencies, Railroad Emergencies, HazMat Tactics, SensIR, Chemistry, Mercury, IED/CBRNE Awareness, Graniteville Lessons Learned, and Resource Refresher.

Back this year is the BBQ and HazMat Olympics. As well as the silent auction to benefit the Randy Carpenter foundation. Each team is being asked to donate something for the silent auction. Please contact Ryan Martin with your teams' donation.

#### **NEW BUSINESS**

HM06 Portland and HM09 Tualatin will start drilling with their USAR team in the near future.

Don't forget training props are available for all teams to reserve. HM02 is housing them for OSFM. Please contact them if you would like to reserve any of the training props.

Mariana will be attending a committee meeting for the Hazmat Fusion Center in November. Grant Coffey, HM06 Portland is on one of the Risk Team.

The meeting adjourned at 3:27 p.m.

The next TTAC meeting will be on January 12, 2010 at 1:00 PM in Tualatin.
