

# CEPA

## AGENDA

October 5, 2010 - 10 a.m.

Boise, Inc., 1300 Kaster Rd., St. Helens, OR 97051

*This is the first meeting at Boise for quite some time so please enter the mill near the training center, rather than through the reception center. We're going to open the gate next to the training center, so people can just go directly to the Oberdorfer Room. We'll have signs up to direct them to park over in that area of the lot and remember do wear closed-toe footwear – no sandals please.*

WELCOME - Greg Godfrey, Chair

**Thanks to the American Red Cross for the treats and door prizes.**

## GUEST SPEAKER – ANDY BRYANT

Andy Bryant has been with NOAA's National Weather Service for over 18 years and is the Senior Service Hydrologist at the NWS Portland Weather Forecast Office, where he is the river information and flood warning program manager. Andy works with a staff of meteorologists to provide weather and river forecasts for Northwest Oregon and Southwest Washington. Andy has worked at the Portland office since 2000.

Previously, he worked at the Tucson, Arizona weather forecast office and at the NWS Northwest River Forecast Center in Portland. Andy has a B.S. in Hydrology & Water Resources from the University of Arizona (but he's still a friend to Beavers and Ducks!). Andy and his wife, Tobie, have four teenage children.

**COMMITTEE REPORTS:**

Executive Committee – Greg Godfrey  
EHS (Extremely Hazardous Substances) Committee – Ron Youngberg  
Resource Development Committee – Derek White  
Information Management Committee – Steve Salle'  
Finance & Planning – Mike Greisen
