 - Full Scale Exercise Planning Committee

2011 Goals

- Conduct four (4) Phase I plan reviews.
- Conduct two (2) Phase II plan reviews.
- Conduct a functional exercise at the September, 2011 meeting for a rail car chlorine leak
- Work with emergency responders to develop a notification system to inform businesses and residents to shelter-in-place or evacuation during a release
- Develop a resource list that can be used by facilities and emergency responders during a hazardous materials incident
- Provide three (3) membership training sessions to take place at a regular scheduled meeting.
- Participate in three public outreach projects to promote the Mid-Valley LEPC.
- Working with the State Fire Marshals' Office contact four non-participating EHS facilities and invite them to attend the Mid-Valley LEPC meetings
- Follow up with four organizations who are no longer attending Mid-Valley LEPC meetings
