2012 Goals

- Conduct three (3) Phase I plan reviews.
- Conduct one (1) Phase II plan review.
- Conduct one (1) Phase III plan review.
- Conduct a full exercise in September, 2012 pertaining to a rail car chlorine leak
- Work with emergency responders and Linn Benton Dispatch for the use of Linn Benton Alert to inform businesses and residents of emergencies that have occurred near them and what appropriate action they should take.
- Provide two (2) membership training sessions to take place at a regular scheduled meeting.
- Participate in two (2) public outreach projects to promote the Mid-Valley LEPC.
- Working with the State Fire Marshals' Office contact four non-participating EHS facilities and invite them to attend the Mid-Valley LEPC meetings
- With the support and participation of emergency responders clarify when and how an evacuation or shelter-in-place action will occur
