Marcene Olson, LBCC
Cliff Sabin, Samaritan Health Services
Karol Schrems, National Emerg. Technology Lab
Karen Selander, Corvallis School District
Greg Skaer, Oregon Freeze Dry
Judy Turner, Selmet

No regular business was conducted. The meeting focused on presentations only.

Presentations:

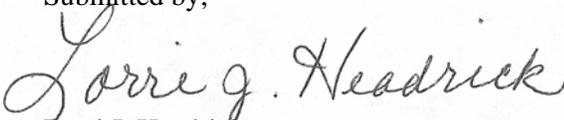

Exercise Design & Implementation - Krista Dillon, Senior Planner with University of Oregon Emergency Management, provided a PowerPoint presentation on exercise design and implementation. Krista agreed to provide a copy of her presentation materials and sample exercise handbook and evaluation form by email to be shared with the members.

September 14 Functional Exercise - Mike Edrington with Organizational Quality Associates (OQA) provided a description of the September 14 exercise and who would be involved. OQA was hired by the City of Albany on behalf of the LEPC to facilitate the exercise. Mike described the three objectives of the exercise: coordination, cooperation, and communication. He indicated that there will be a role for anyone who wants to participate. The exercise is scheduled to take place from 10:00 a.m. to noon on Wednesday, September 14, at Albany City Hall, 333 Broadalbin SW.

Next Meeting: There will be no regular business meeting in September due to the functional exercise on September 14.

Adjournment: 11:25 a.m.
