RE: 2015-17 Occupational Therapy Licensing Board –
Diversity & Inclusion/Affirmative Action Plan

Dear Mr. Garcia:

The Executive Director and members of the Occupational Therapy Licensing Board (Board) recognize and appreciate the benefit of Diversity & Inclusion/Affirmative Action. The Board pledges its commitment to promote best practices in support of equal employment opportunity and to achieve the full and fair contribution of minorities, women, people with disabilities, older persons, and all protected classes found to be under utilized in the workforce.

As the only full-time position, the Board's Director has been in the position for the ten years. There is only one part time staff position. The Director continues to make multicultural training a priority and works to meet the objectives of the Affirmative Action and Equal Employment Opportunity initiative. The Board's Diversity & Inclusion/Affirmative Action Plan and Policy Statement serve to help prevent and help eliminate discrimination of protected classes.

This biennium, the Director has continued to work with the Oregon Health Authority, Office of Health Analytics to collect diversity information of therapist and that research summary is found as part of this report. The Board drafted rules to promote cultural competency and make it part of the Continuing Education of therapists.

We pledge to uphold and support compliance with the Board's Diversity & Inclusion/Affirmative Action Plan and Policy, to ensure equality and avoid discrimination, and to promote a workforce that is representative of the population as a whole.

Thank you for your continued direction and support.

Respectfully submitted,

Felicia Holgate
Executive Director

Policy Statement

The Occupational Therapy Licensing Board will not tolerate discrimination or harassment on the basis of age, color, marital status, mental or physical disability, national origin, race, religion, sex, sexual orientation, or any reason prohibited by state or federal statute. Nor shall the Board do business with any vendor/provider for the state of Oregon who discriminates or harasses in the above-described manner. All personnel actions of the Board, and all licensing actions and disciplinary actions shall be administered according to this policy.

All staff of the Board shall adhere to the Affirmative Action Policy and Plan. Supervisory and management staff, in particular, shall assure that the intent as well as the requirements are implemented in all employee relationships and personnel practices. In addition, it is the duty of every employee of the Board to create a job environment atmosphere which is conducive to non-discrimination policies and free of any form of discrimination or harassment. The application of this policy is the individual responsibility of all administrative and supervisory staff, and each shall be evaluated on his/her performance in achieving this affirmative action policy as well as in other job performance criteria. The Affirmative Action Plan is posted on the Board's website and a hard copy is available at the Board office. The Affirmative Action Policy Statement is posted on the bulletin board where all other required posters are located. Failure to meet Affirmative Action standards is subject to disciplinary action.

All employees shall be advised of the procedure for lodging a discrimination/ harassment complaint, and all employees with concerns of any kind related to affirmative action shall be encouraged to bring them to the attention of the Executive Director. Internal procedure supports the statewide policy is located in this plan.

It is further the policy of the Board to establish and maintain this program of affirmative action to provide for a method of eliminating any effects of past or present discrimination, intended or unintended, which may be indicated by analysis of present employment patterns, practices, or policies.

Duration of Plan

This revision of the Board's Affirmative Action Plan is effective July 1, 2015 and shall be evaluated annually or as needed when statewide changes occur.

The Board's Affirmative Action Representative is Felicia Holgate, Director, 971-673-0198.

B. Agency Diversity and Inclusion Statement

A Federal Executive order gives priority to the development and implementation of a comprehensive, integrated, and strategic focus on diversity and inclusion as a key component of their human resources strategies. It includes an effort to identify and adopt best practices to promote diversity and inclusion and to identify and remove barriers to equal employment opportunity.

The OT Licensing Board's commitment is to equal opportunity, diversity, and inclusion and a continued goal to accomplishing our mission in recruitment policies to "endeavor to achieve a work force from all segments of society," while avoiding discrimination for or against any employee or applicant on the basis of race, color, religion, sex (including pregnancy or gender identity), national origin, age, disability, sexual orientation or any other prohibited basis. (5 U.S.C. 2301(b)(1), 2302(b)).

State Agencies, Boards and Commissions have an obligation to seek to attain a diverse, qualified workforce as a cornerstone of the merit-based state service. A continued goal is to use the resources of all our citizens and to ensure fairness and justice in the workplace. But more than that, Diversity is more broadly defined to being open to diversity of thought, and the perspective that being open to diversity enriches our lives and helps us realize our full potential. Diversity and Inclusion is a moral and business imperative to improve our public service within the State of Oregon.

Even with difficult budget restraints, there is an increased demand for innovation and efficiency. State Agencies can look to a diverse and inclusive workforce to help meet the future challenges of the State of Oregon. Our state population is changing and we recognize that inclusion and diversity, by creating a culture that fosters creativity and inclusion, are positive for us individually, for our workforce, and for the State of Oregon.

The Federal Office of Diversity and Inclusion Strategic Plan in the Personnel Office states: "research shows that recruiting with an emphasis on cultural, experiential, and cognitive diversity will improve agencies' prospects of having a workforce that is capable of addressing increasingly complex challenges more efficiently".

Workforce diversity is defined as "a collection of individual attributes that together help agencies pursue organizational objectives efficiently and effectively. These include, but are not limited to, characteristics such as national origin, language, race, color, disability, ethnicity, gender, age, religion, sexual orientation, gender identity, socioeconomic status, veteran status, and family structures. The concept also encompasses differences among people concerning where they are from and where they have lived and their differences of thought and life experiences".

Inclusion is defined as "a culture that connects each employee to the organization; encourages collaboration, flexibility, and fairness; and leverages diversity throughout the organization so that all individuals are able to participate and contribute to their full potential."

Best practices for diversity and inclusion include working on leadership, accountability, measurement, and training. The following goals are necessary for the successful growth of diversity and inclusion.

1. Recruit from a diverse, qualified group of potential applicants to secure a high-performing workforce drawn from all segments of American society.
2. Cultivate a culture that encourages collaboration, flexibility, and fairness to enable individuals to contribute to their full potential and further retention.
3. Develop structures and strategies to equip leaders with the ability to manage diversity, be accountable, measure results, refine approaches on the basis of such data, and institutionalize a culture of inclusion.

C. Training, Education and Development Plan and Schedule of:

1. Employees

- a. Train and inform managers, supervisors, and employees at New Employee Orientation on their rights and responsibilities under the Board's affirmative action plan and other Board policies to eliminate discrimination or harassment on the basis of age, color, marital status, mental or physical disability, national origin, race, religion, sex, sexual orientation, or any reason prohibited by law.
- b. Managers and employees will attend trainings in the areas of AA/EEO, Valuing Diversity and Harassment. Training may be in the form of formal classes, sharing of information from the Governor's Affirmative Action Office, attending AA meetings and/or one-on-one discussions.

- d. The Director is the only full time Employee of the Board and is eligible to retire within the next five years. Succession planning is critical for the seamless transition of employees in key positions. The Board will develop a plan to prepare and help transition for a new Executive Director when needed.
- e. It is the policy of the Board to provide resources for employees to encourage their career development in state service, as is reasonably practicable to do. To accomplish this mission, the Board may provide opportunities for training to employees for developing proficiency, enhancing skills and encouraging development in areas for potential advancement. Staff shall be eligible for mandated and required training. Suggested training opportunities will be considered by management.
- f. A training plan designed to reinforce the mission and values of the Board is important. Employees need an opportunity to participate in trainings to develop job skills and increase knowledge and understand their rights and responsibilities as discussed in the Affirmative Action Plan.

The Affirmative Action and Diversity Plan is made available and accessible to all board members, employees and contractors. New employees are provided the Board's Affirmative Action and Diversity Plan and encouraged to review and discuss questions or concerns. The Board will continue to educate managers and staff and focus on developing a work environment that is attractive to a diverse pool of applicants, retain employees and is accepting and respectful of employee's differences.

The Board posts a copy of the Affirmative Action and Diversity Plan on its web site and a copy is available to each new employee as part of their orientation. The Board's recruitment announcements and advertisements will identify the Agency as an Equal Opportunity /Affirmative Action employer and include: "The Occupational Therapy Licensing Board is an equal opportunity, affirmative action employer committed to work force diversity".

Board Members: Provide new Board Members with a copy of the Affirmative Action Plan or direct them to the Board's website where the Plan is available for public viewing and invite them to participate in the Board's cultural diversity training sessions.

E. Update: Executive Order 08-18

1. Cultural Competency Assessment and Implementation Services

As part of the Board's 2015-2017 Affirmative Action Plan, the agency will increase multicultural training through staff meetings and strive to seek diversity and cultural competency within our staff and Board Members. We will seek additional training to occur in the 2013-15 biennium. The Director wrote rules to include cultural diversity as Board approved Continuing Education.

The Board, with a staff of 1.25 FTE to increase to 1.75 does not currently have a Cultural Competency Assessment. However, we do recognize that a culturally competent organization is able to use the policies, people and resources it has to anticipate, recognize and respond to varying expectations of customers and employees. A culturally competent organization values individuals for their differences instead of expecting individuals to adapt to the organizations culture. The Board will continue to benefit from working toward having cultural competence.

The Board will plan to enhance cultural competence in the 2015-2017 Biennium. Implementation results in:

- People of diverse backgrounds and experience effectively working together;
- People understanding and appreciating one another's differences;
- People effectively communicating with and being respectful of those differences; and

The plan will focus on:

- Licensees understanding and appreciating the value of the Board's requirements.
- Greater awareness among the members of the Board's workforce;
- Enhance effective communication and utilizing differing strengths;
- Identifying training events that all employees will enjoy and participate in; and
- An increased respect for and understanding of diverse cultures within the workforce.

The Board will benefit by:

- Utilizing unique strengths and perspectives to solve problems and enrich the work environment;
- Creating a climate of cultural awareness and a welcoming environment that honors diversity;
- Making a stronger and more cohesive workforce rallied together by a common goal of success;
- Having a greater understanding of the world in which we work and the customers we serve; and
- Preventing and overcoming misunderstandings, lost opportunities and conflict.

2. Statewide Exit Interview Survey: The Board will offer exit interviews to departing staff and follow-up with the Director on any concerns or trends. The Board will ensure departing employees go to the State link for the exit interview survey monkey required by the Governor's Affirmative Action Office

3. Performance Evaluations of all Management Personnel: The Board remains committed to compliance with the Governor's executive orders requiring the inclusion of diversity and affirmative action requirements in position descriptions and annual performance evaluations. Performance accountability in the areas of Affirmation Action and Diversity will be reviewed during annual evaluations.

4. Status of contracts to Minority Businesses (ORS 659A.015): The Board does not have any contracts that exceed \$5,000 with minority businesses. The few contracts the Board has are with subject matter experts that are called upon for single-need issues. With an FTE of less than two and other funds there are no other contracts aside from specific consultation requiring subject matter expertise and IT services.

A. Accomplishments

1. There is only one part-time position beside the Director for which the Board is requesting an increase from .25 FTE to .75 FTE. This person is a white woman.
2. If there are other staff changes the process of hiring will be conducted in a way that will provide the most diverse candidate pool possible. Every candidate that met the qualifications and rated highest on the scoring criteria would be offered an interview. Interviews would be conducted by panels that consisted of men, women, and co-workers.
3. The Director continues to attend as many AA meetings, prepare policies and plans and report to the Board. It has been helpful to have some meetings as conference calls to attend from Portland.
4. The Director has been working to obtain Workforce data from the licensees. The OT Licensing Board pays \$5 per licensee for the Oregon Health Authority to collate and provide charts and information about therapists in the state. The reports are attached to this report.
5. The Director will work with the OHA rules with cultural competency is defined and provide as much information about classes on CC (especially that are free) on the web site.
 - Refine definitions for cultural competency/linguistic competency, identify existing standards and propose standards for cultural competency CE in Oregon.
 - Explore existing cultural competency continuing education options
 - Explore operational issues for licensing boards to implement cultural competence CE

Hiring plans: If there are any announcements the Director will attempt to reach a diverse audience by placing them on the state's job page and on the Board's website. The Board would make prospective employees feel welcome by placing emphasis on creating a comfortable interview atmosphere. The interview team would introduce themselves, have water, paper and pencils available, give plenty of time to the candidate for organizing their thoughts, etc.

Management staff is proactive in communicating the importance of diversity with the staff, and includes diversity discussions in periodic one to one meetings. Note: There is only one part-time staff and one Director who meet periodically and talk daily. The Affirmative Action Representative is the Director who attends training to learn more about fostering cultural competency and multi-cultural organizational development.

Management/staff makes an effort to communicate cultural events throughout the area.

- Attended as many of the Affirmative Action/Diversity statewide monthly meetings.
- The Director attended various cultural/diversity events and meets with a diverse group of people.
- The Director, who is herself an immigrant, lived overseas in Madagascar, Morocco, Sri Lanka and Mexico and continues to respect and seek opportunities to celebrate diversity in her life through friendships, reading, films and cultural events and contact with people of diverse backgrounds.

B. Progress made or lost since previous biennium

Cross-training and career developmental opportunities are encouraged. The goal is to retain employees by keeping them challenged and giving them room for growth. The small size of our agency requires that more than one person knows a job. A detailed Desk Manual continues to be updated.

The Board continues to strive to create a culturally diverse staff though there is only a Director and one part time staff. The Director will work with the Board in regards to any future changes in staff to provide a smooth transition.

The Board's strategy for retaining our employees includes:

- Value employees and urge them to participate in decisions that affect their work;
- Treat employees with respect and dignity;
- Show employees the benefits of working for the State of Oregon: pay, health insurance, location;
- Support employees in their learning and personal development plans;
- Maintain the Board's reputation for professionalism by making it a business people are proud to work for;
- Communicate well and often. Let people know what is happening in the organization;
- Make wise hiring decisions and continually evaluate our hiring practices; and
- Hold people accountable for adhering to our respectful workplace and harassment-free policy.

The agency's strength lies in its employees and licensees. We are a professional organization that lives with high expectations every day. Some challenges faced:

- Learn to communicate better. Not only between our younger and older staff members, but those who are more technologically advanced than others.
- Keep positive attitudes and help employees feel valued

If these challenges are not faced, we could potentially lose some of our more senior knowledgeable employees as well as our talented younger employees.

Workforce Data collection of licensees: The board helped work with the Oregon Health Authority to collect data from licensees and provide charts with information about licensees. Charts are attached and include Age, Gender, Race and Ethnicity for Occupational Therapists in the state.

4. Veterans Preference in Employment 105-040-0015

See HRSD Rule 105-040-0015 published by Sec of State

Applicability: Recruitment and selection processes for all State of Oregon positions in agencies subject to ORS 240, State Personnel Relations Law, including but not limited to promotional opportunities.

(1) Definitions: (See also HRSD Rule 105-010-0000 Definitions Applicable Generally to Personnel Rules and Policies.) (a) Initial Application Screening: An agency's process of determining whether an applicant meets the minimum and special qualifications for a position. An Initial Application Screening may also include an evaluation of skills or grading of supplemental test questions if required on the recruiting announcement.

(b) Application Examination: The selection process utilized by an agency after Initial Application Screening. This selection process includes, but is not limited to, formal testing or other assessments resulting in a score as well as un-scored examinations such as interviews and reference checks.

(c) Veteran and Disabled Veteran: As defined by ORS 408.225 and 408.235.

(2) Application of preference points upon Initial Application Screening: Qualifying Veterans and Disabled Veterans receive preference points as follows;

(a) Five Veteran's Preference points are added upon Initial Application Screening when an applicant submits as verification of eligibility a copy of the Certificate of Release or Discharge from Active Duty (DD Form 214 or 215), or a letter from the US Department of Veteran's Affairs indicating the applicant receives a non-service connected pension with the State of Oregon Application; or

(b) Ten Disabled Veteran's points are added upon Initial Application Screening when an applicant submits as verification of eligibility a copy of the Certificate of Release or Discharge from Active Duty (DD Form 214 or 215) with the State of Oregon Application. Disabled Veterans must also submit a copy of their Veteran's disability preference letter from the US Department of Veteran Affairs, unless the information is included in the DD Form 214 or 215.

(c) Veteran's and Disabled Veteran's preference points are not added when a Veteran or Disabled Veteran fails to meet the minimum or the special qualifications for a position.

(3) Following an Initial Application Screening the agency generates a list of qualified applicants to consider for Appointment. An Appointing Authority or designee may then: (a) Determine whether or not to interview all applicants who meet the minimum and special qualifications of the position (including all Veterans and Disabled Veterans); or

(b) Select a group of Veteran and Disabled Veteran applicants who most closely match the agency's purposes in filling the position. This group of applicants may be considered along with non-veteran applicants who closely match the purposes of the agency in filling the position as determined by:

(A) Scored Application Examinations (including scored interviews): If an agency utilizes, after an Initial Application Screening, a scored Application Examination to determine whom to consider further for Appointment, the agency will add (based on a 100-point scale) five points to a Veteran's score or 10 points to a Disabled Veteran's score or;

(B) Un-scored Application Examinations: Un-scored Application Examinations done by sorting into levels (such as "unsatisfactory," "satisfactory," "excellent") based on desired attributes or other criteria for further consideration will be accomplished by:

- (i) Advancing the application of a Veteran one level;
- (ii) Advancing an application of a Disabled Veteran two levels.

(4) Preference in un-scored interviews: A Veteran or Disabled Veteran who, in the judgment of the Appointing Authority or designee, meets all or substantially all of the agency's purposes in filling the position will continue to be considered for Appointment.

(5) If a Veteran or Disabled Veteran has been determined to be equal to the top applicant or applicants for a position by the Appointing Authority or designee then the Veteran or Disabled Veteran is ranked more highly than non-veteran applicants and, a Disabled Veteran is ranked more highly than non-veteran and Veteran applicants.

(6) Preference described in Sections 2 through 5 of this rule is not a requirement to appoint a Veteran or Disabled Veteran to a position. An agency may base a decision not to appoint the Veteran or Disabled Veteran solely on the Veteran's or Disabled Veteran's merits or qualifications.

(7) A Veteran or a Disabled Veteran applicant not appointed to a position may request an explanation from the agency. The request must be in writing and be sent within 30 calendar days of the date the Veteran or Disabled Veteran was notified that they were not selected. The agency will respond in writing with the reasons for not appointing the Veteran or Disabled Veteran.

Persons with Disabilities Policy and Complaint Procedure:

It is the policy of the Board to employ and advance in employment qualified individuals with disabilities. The Board shall make reasonable accommodations to the known physical or mental limitations of a participating member of the public, a consumer of agency services, or an agency job applicant or employee, unless to do so would create an undue hardship on the agency, as provided under the Americans with Disabilities Act (ADA).

Definition of Person with a disability: A person, who has a physical or mental impairment which substantially limits one or more major life activities, has a record of such impairment or is regarded as having such an impairment. The Agency Administrative Director is designated as the ADA Coordinator pursuant to part 35.107 of the American's with Disabilities Act.

In compliance with ADA guidelines, the Board will provide special materials, services or assistance to individuals with a disability upon sufficient notice to the Board office. For the hearing impaired, the Board may be contacted through Oregon Relay at 1-800-735-1232.

- An employee, volunteer, provider, or vendor who believes he/she has been discriminated due to their disability should contact the Administrative Director or Executive Director. If the issue is not resolved to the employee's satisfaction, they should file a complaint regarding employment with the Equal Employment Opportunity Commission; or a complaint regarding services with the U.S. Department of Justice, Civil Rights Division.
