vs.

Mary Sheppard; Marilyn Sheppard;  
Claimant/Contestant.

Claimants/Contestants Mary Sheppard and Marilyn Sheppard, and the Oregon Water Resources Department (OWRD), hereby agree and stipulate, and request the Adjudicator to resolve the above captioned Claim and Contest as follows:

**A. STIPULATED FACTS**

1. On January 31, 1991, Claim 269 for a federal reserved Indian water right was filed with OWRD by the Claimants.

---

<sup>1</sup> Don Vincent voluntarily withdrew from Contest 3550 on December 4, 2000. Berlva Pritchard voluntarily withdrew from Contest 3550 on June 24, 2002. Klamath Hills District Improvement Co. voluntarily withdrew from Contest 3550 on January 15, 2004. The remaining entities comprising Klamath Project Water Users voluntarily withdrew Contest 3550 on April 7, 2005.

2. On October 4, 1999, the Adjudicator issued his Preliminary Evaluation of Claim 269.
3. On May 3, 2000, the Claimants filed A Statement of Contest of Preliminary Evaluation of Claim 269, Contest 1744.
4. The current point of diversion is the Chiloquin Dam within the NESE of Section 3, Township 35 South, Range 7 East, W.M., with a source from the Sprague River, tributary to the Williamson River.
5. On December 1, 2006, Claimants/Contestants timely filed an Affidavit and Request for Additional or Relocated Point(s) of Diversion pursuant to OAR 690-030-0085, describing an alternate or relocated point of diversion that may be added in the future.
6. The alternate or relocated point of diversion is located on the Williamson River, diverted at a point downstream of the Sprague River as required under OAR 690-030-0085 and is located within Lot 10, NENE of Section 21, Township 35 South, Range 7 East, W.M.
7. Claimants/Contestants and OWRD agree that Contest 1744 can be resolved without the need for a hearing pursuant to the following:

**B. TERMS OF STIPULATION**

1. Claimants/Contestants and OWRD agree that the Water Right Claim 269 should be approved to the Adjudicator as a federal reserved Indian water right to the extent described in the attached Description of Water Right Claim 269.
2. Claimants/Contestants and OWRD agree that use of the original (“Chiloquin Dam”) point of diversion is allowed only until the Chiloquin Dam has been removed, at which time the alternate or relocated point of diversion shall be the only point of diversion for Claim 269.

3. The Sprague River is the source of water for this claim whether water is withdrawn from the Sprague River at the original point of diversion or from the Williamson River at the relocated point of diversion.

4. Claimants/Contestants and OWRD agree that use of water from the relocated point of diversion is authorized only if water is available at the original point of diversion.

5. Claimants/Contestants agree that pursuant to the terms of this Stipulation, Contest 1744 has been satisfactorily resolved, and such resolution vitiates the need for a hearing before the Administrative Law Judge.

6. The OWRD adjudication staff hereby recommends to the Adjudicator that Claim 269 be withdrawn from the Office of Administrative Hearings. OWRD adjudication staff further recommends that Claim 269 be approved in the Finding of Fact and Order of Determination issued by the Adjudicator as a federal reserved Indian water right in accordance with the Description of Water Right Claim 269, attached hereto as Exhibit A, and which is incorporated by reference as if set forth fully herein.

7. If the Finding of Fact and Order of Determination issued by the Adjudicator for Claim 269 does not conform to the terms set forth in the attached Description of Water Right Claim 269, Claimants/Contestants reserve any rights they may have to file exceptions to the Finding of Fact and Order of Determination as to Claim 269 in the Circuit Court for Klamath County, and reserve any rights they may have to participate in any future proceedings authorized by law concerning Claim 269.

8. Claimants/Contestants agree not to oppose or object to this Agreement or any of its terms, provisions, conditions, or covenants and to support this Agreement if it is challenged in the administrative or judicial phases of the Adjudication or any appeals thereof.

9. The signatories to this Stipulation agree that the Stipulation shall not be offered as evidence or treated as an admission regarding any matter herein and may not be used in proceedings on any other claim or contest whatsoever, except that the Stipulation may be used in any future proceeding to interpret and/or enforce the terms of this Stipulation. Further, the signatories to this Stipulation agree that neither the Stipulation nor any of its terms shall be used to establish precedent with respect to any other claim or contest in the Klamath Basin Water Rights Adjudication.

10. Each entity or person entering into this Stipulation represents, warrants, and agrees that the person who executed this Stipulation on its behalf has the full right and authority to enter into this Stipulation on behalf of that entity or person and bind that entity or person to the terms of the Stipulation.

11. The terms, provisions, conditions, and covenants of this Stipulation are not severable, except, if any term, provision, condition, or covenant of this Stipulation is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the terms, provisions, conditions, and covenants shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

12. This Stipulation may be executed in several counterparts and all documents so executed shall constitute one Stipulation, binding on the signatories, notwithstanding that the signatories did not sign the same original or the same counterparts. Delivery of an executed signature page to this Stipulation by facsimile transmission shall be as effective as delivery of an original signed counterpart of this Stipulation.

13. This Stipulation comprises the entire agreement and no promise, inducement, or representation other than herein set forth has been made, offered, and/or agreed upon, and the terms of this Stipulation are contractual and not merely a recital.

14. Claimants/Contestants and OWRD shall each bear their own costs and attorneys' fees.

15. This Stipulation shall be effective as of the date of the last signature hereto.
