v.

United States Forest Service;  
Claimant.

The Oregon Water Resources Department (OWRD) and the United States of America, Department of Agriculture, Forest Service (Forest Service) hereby agree and stipulate as follows:

**A. STIPULATED FACTS**

1. On April 19, 1997, Forest Service submitted a Statement and Proof of Claim (Original Claim 488) to OWRD for "favorable conditions of water flows" under the Organic Act, 16 USC § 473 *et seq.* Claim 488 was amended on August 3, 1999

(Amended Claim 488). Both the Original Claim 488 and the Amended Claim 488 requested a priority date of January 25, 1907.

2. On October 4, 1999, the Adjudicator issued his Preliminary Evaluation of Claim 488 which found that the priority date for this instream use is June 4, 1897, and preliminarily approved the claim with this priority date.

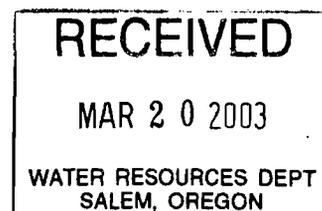

3. On May 5, 2000, the Forest Service filed Contest 2175 to the Preliminary Evaluation.

4. OWRD and the Forest Service agree that Contest 2175 is resolved pursuant to the terms outlined below.

**B. TERMS OF THE AGREEMENT**

1. OWRD adjudication staff agrees to recommend to the Adjudicator that Claim 488 be approved in the Final Order of Determination issued by the Adjudicator upon the same terms set forth in the Preliminary Evaluation, *except*, that the priority date should be January 25, 1907, instead of June 4, 1897, and *except* that any further amendment by the Forest Service of the claim will not be in excess of the amount allowed in the stipulation.

2. OWRD and the Forest Service agree that pursuant to the terms of this Agreement, Contest 2175 has been satisfactorily resolved, and a hearing before the Hearing Officer is not required. Under these circumstances, the Forest Service waives the right to a contested case hearing before the Hearing Officer Panel for Contest 2175, but explicitly reserves the right to participate in any other future proceedings authorized by law.

3. The Forest Service reserves the right to file exceptions to the Final Order of Determination as to Claim 488 in the Circuit Court for Klamath County if the Final Order of Determination issued by the Adjudicator for Claim 488 does not follow the recommendation of OWRD adjudication staff as indicated in paragraph B1, above.
