<i>Claimant/Contestant</i> <sup>2</sup>	)	

The Oregon Water Resources Department (“OWRD”) and the United States Department of the Interior, Bureau of Land Management (“BLM”) do hereby stipulate and agree as follows concerning BLM’s Klamath Basin Adjudication claim numbers 325-375:

**STIPULATIONS**

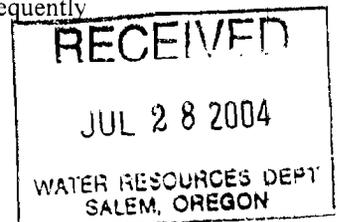

- I. On April 30, 1997, the BLM filed fifty-one claims with the OWRD pursuant to ORS chapter 539 in the Klamath Basin Adjudication, claims 325 through 375, which claim federal reserved water rights under an Executive Order entitled the Public Water Reserve (PWR) No. 107, authorized by President Coolidge.
- II. OAR 690-030-0085 provides that any amendments or alterations of claims shall be filed with OWRD “prior to the close of open inspection.”
- III. OWRD held open inspection for the Klamath Basin Adjudication in Klamath Falls, Oregon, from October 4, 1999 through November 5, 1999 and held open inspection in Salem, Oregon, from November 15, 1999, through March 31, 2000.
- IV. On August 3, 1999, the BLM timely filed with OWRD amended claims for twenty nine of its claims: 325, 328, 329, 330, 332, 333, 334, 335, 337, 338, 339, 340, 343, 344, 347, 348, 349, 350, 351, 352, 353, 354, 355, 363, 364, 366, 368, 370, and 371.
- V. In amending its claims, ten BLM claims were not amended and remain as originally claimed: 331, 346, 358, 362, 365, 369, 372, 373, 374, and 375.
- VI. In amending its claims, BLM withdrew twelve of its claims: 326, 327, 336, 341, 342, 345, 356, 357, 359, 360, 361 and 367.
- VII. Thirty nine BLM PWR 107 claims remain active in the Klamath Basin Adjudication.

---

<sup>1</sup> Claim nos. 326, 327, 336, 341, 342, 345, 356, 357, 359, 360, 361 and 367 have been withdrawn. See paragraph VI and VII of this Agreement, below.

<sup>2</sup> Although others initially filed contests to these claims, those contests were subsequently withdrawn.

1 - SETTLEMENT AGREEMENT BETWEEN OWRD AND BLM ON BLM CLAIM NOS. 325 375

Hereafter, reference to "claims 325 - 375" means the remaining thirty nine active claims.

VIII. Of the BLM's twenty-nine amended claims:

Twelve of the claims were amended as to rate, duty, and location: 338, 339, 343, 347, 348, 351, 352, 353, 354, 355, 370, and 371.

Fourteen of the claims were amended as to rate and duty, but not location: 325, 328, 332, 333, 334, 335, 337, 340, 344, 349, 350, 363, 366, and 368. The amendments to the rate for these claims reflect a cut in rate.

Three of the claims were amended as to the location of the claims: 329, 330, and 364. These claims retained the original rate and duty.

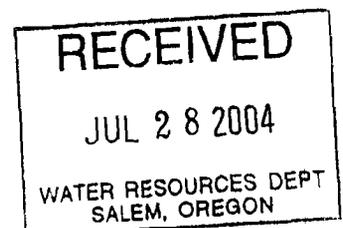

IX. In summary, the claimed priority date for claims 325 - 375 is April 17, 1926. The rate and duty of each claim varies with each claim, as does the location of the waterbody referred to in each claim. The period of use for these claims varies, as follows:

May 15 - September 10 for claims 358 and 362  
May 1 - October 15 for claims 363 and 364;  
March 1 - November 30 for claims 372 - 375; and  
May 15 - October 15 for the remainder of the claims.

X. On October 4, 1999, OWRD issued its preliminary evaluation for claims 325 - 375. In making its preliminary evaluation of these claims, due to timing involved in issuing the preliminary evaluations, OWRD did not evaluate or account for BLM's claim amendments to rate, duty, and/or location timely filed with OWRD on August 3, 1999, except for amended claim 329 which was evaluated. In making its preliminary evaluation for claims 325 - 375, OWRD made a clerical error on seven of the ten claims that were not amended.

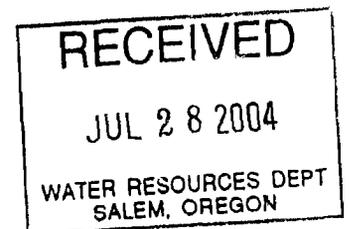

XI. On May 8, 2000, the BLM timely filed a total of thirty-five contests to thirty-five claims as they appeared in the preliminary evaluation. The BLM filed contests against the OWRD's preliminary evaluation of twenty eight of the twenty-nine amended claims because the preliminary evaluation did not reflect the amendments to those claims. In addition, BLM filed contests against the OWRD's preliminary evaluation of seven claims, 331, 358, 362, 372, 373, 374, and 375, because the preliminary evaluation contained clerical errors.

XII. BLM also has four other active claims whose preliminary evaluations it did not contest: 329, 346, 365, and 369. The preliminary evaluation of claims 346, 365, and 369 were not contested as the preliminary evaluations accurately describe and approve the claims. Amended claim 329 was not contested as the preliminary evaluation evaluated the amended claim and accurately described and approved the amended claim

XIII. The contests and claims which are the subject of this Agreement, and the basis for the contests, are as follows:

<u>Contest #</u>	<u>Claim #</u>	<u>Basis of Contest</u>

XIV. Upon review of the BLM's claims or amended claims, as applicable, and contests, and the OWRD preliminary evaluations, the OWRD and BLM do hereby agree as follows.

AGREEMENT

- 1. BLM and OWRD agree that BLM's claims should be approved as claimed, and where the claim was subsequently amended, "as claimed" means the amended claim. (Conversely, where the claim was not amended, "as claimed" means the original claim.)
- 2. The OWRD staff agree to recommend to the Adjudicator that he approve in his Order and Determination the BLM claims as claimed.
- 3. The BLM agrees that pursuant to this agreement its contests to the preliminary evaluation of claims described in paragraph XIII have been satisfactorily resolved and agrees that a hearing on said contests before the Hearing Officer is not required.
