**Subject:** PERS: Clarification on Item 2 in the May 2009 Employer Update.

Dear PERS employer,

PERS has received questions about Item 2 in the May 2009 Employer Update. The "freeze" on Social Security number changes means that employers should not make changes to Social Security numbers in EDX after Thursday, May 14, 2009. The prohibition on Social Security number changes will be effective until EDX Release 5.0 is installed. We anticipate that Social Security number changes can be done beginning Monday, June 15, 2009. Limiting Social Security number changes ensures the stabilization of data to be moved from RIMS, our "legacy" database, to the jClarety database during the installation of EDX Release 5.0.

Best regards,  
PERS Employer OCE Team
