**Need for the Temporary Rule(s):**

Recent rule revisions in Division 025 increased the amount of continuing education hours due upon renewal for Certified Oregon Pharmacy Technicians. Prior reporting requirements for continuing education hours within the first year of licensure was managed by agency policy up until this time. As a result of the volume of questions and inquiries, it became clear that this needed to be added in rule.

**Documents Relied Upon, and where they are available:**

None.

**Justification of Temporary Rule(s):**

The Certified Oregon Pharmacy Technician renewal cycle is currently in progress and this affects all new licensees until October 1, 2015.
