RULE SUMMARY

Division 110 rules are amended to reflect the fee structure for Pharmacist biennial licensure. The current fee of \$120.00 will remain the same for the first biennial renewal cycle. However, the license will be valid for a period of two years, to further reduce the agency's ending balance. Amendments also include the biennial fee for the electronic prescription monitoring fund. In addition, a fee adjustment has been made to Pharmacists whose initial application for licensure is received or the mailing date of the application is within 180 days of expiration. These permanent rule amendments coincide with the transition to Pharmacist biennial licensure and are effective April 1, 2015.
