## MEMORANDUM

TO: All New Pharmacist, Intern, Pharmacy Technician and Certified Pharmacy Technician Applicants

FROM: Oregon Board of Pharmacy

DATE: December 21, 2010

RE: New Fingerprinting Requirement effective February 1, 2011

---

Effective February 1, 2011, the Board will require all new applicants (pharmacists, interns, pharmacy technicians and certified pharmacy technicians) to submit a fingerprint card for an FBI National Background Check. The Board adopted rules in February 2008 ([OAR 855-010-0045](#)) as required by [ORS 689.207](#) to establish the criteria for review. Applicants will be required to pay the actual costs charged by the Oregon State Police, currently \$52.00. The applicants must also pay any fees charged by the facility taking fingerprints which may range from \$15.00 to \$25.00.

Once the Board receives an application, a fingerprint packet with instructions will be mailed to the applicant. This new procedure will increase the time it takes to process a complete application and issue a license.
