RULE SUMMARY

Proposing new rule divisions for licensure general provisions; specializations; program standards; and other new divisions. Moves current rules to new divisions. Makes possible changes to program approval standards and procedures. The purpose of the rulemaking is to implement new Teaching License system; reorder rules to improve clarity; and possibly make changes to program standards and procedures to align with new statutory requirements.

A public rulemaking hearing may be requested in writing by 10 or more people, or by an association with 10 or more members, within 21 days following the publication of the Notice of Proposed Rulemaking in the Oregon Bulletin or 28 days from the date Notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received, the notice of the date and time of the rulemaking hearing must be published in the Oregon Bulletin at least 14 days before the hearing.

The Agency requests public comment on whether other options should be considered for achieving the rule’s substantive goals while reducing negative economic impact of the rule on business.
