## **Division Reports/Updates**

Administrative Services Division: Terry Bello, manager of the Administrative Services Division (ASD) provided an update. Regarding the official reopening of WCB facilities, ASD has been working to ensure facilities are up to date. The Klamath Falls location is operating normally and is available to schedule hearings. As of June 29, 2022, the Ontario/Four Rivers location is also available to schedule hearings. The Coos Bay location's lease is currently being negotiated and is unavailable to schedule at this time. The location in the Roseburg/Sutherlin area is in the process of being reopened, but due to Umpqua Community College's changes in staffing, that process has been delayed. In regards to policy, agency employees will soon be transitioning to entering their time off into Workday instead of E-Payroll. There are plans to have workgroups and trainings to help staff with that transition. Another policy update is that IT&R will be disabling tech devices and access during approved leave (i.e., medical leave, job rotations) that exceeds 5 days (not applicable to vacation leave).

Hearings Division: Joy Dougherty, Presiding Administrative Law Judge, provided the update for the Hearings Division. Hearings Division hasn't defaulted back to in-person hearings yet, but are slowly transitioning back. August 1, 2022, is the goal for a return to normal, in-person hearings. Hearing notices will specify whether a hearing is in-person, video, or telephonic.

Board Review: Robert Pardington, Managing Attorney for the Board Review Unit, had no update in addition to the new business.

## **New Business**

The recent rule updates from the Board included updating the Board's email address, and the Ombuds Office's new name. Managing attorney, Robert Pardington, served as the hearings officer for the rule hearing held on May 27, 2022. The transcript of the hearing and relevant [exhibits](#) are available on the Board's website. There were no substantive objections during the hearing. The only comment during the hearing was from Elaine Schooler, from SAIF Corporation, who requested 120 days from the date of the hearing for the rule changes to go into effect. Mr. Pardington stated that an effective date of October 1, 2022, would accomplish this. Member Curey moved to adopt the amendments (Exhibits A-F) of the rules. The effective date would be October 1, 2022. Member Ousey seconded the motion. Motion passed.

## **Public Comment**

Chair Wold asked if there was any public comment. Elaine Schooler from SAIF Corporation asked if comments from the public regarding the biennial attorney fee review will be posted on the Board's website before the next Board meeting. Chair Wold responded that yes, any submissions received will be posted to the Board's web-site contemporaneously. There was no further comment from the public.
