
In the Matter of the Compensation of
JULIE L. JOHNSTON, Claimant
Own Motion No. 04-0047M
OWN MOTION ORDER OF ABATEMENT
Mitchell & Guinn, Claimant Attorneys
Safeco Ins Co, Insurance Carrier

Reviewing Panel: Members Kasubhai and Langer.

Claimant requests reconsideration of our March 4, 2004 Own Motion Order that declined to reopen her 1979 claim for a “worsening” of her previously accepted condition. *See* ORS 656.278(1)(a) (2001).¹

In order to allow sufficient time to consider the motion, we abate our order. The insurer is granted an opportunity to respond. To be considered, that response must be filed within 14 days of the date of this order. Thereafter, we will proceed with our reconsideration.

IT IS SO ORDERED.

Entered at Salem, Oregon on March 31, 2004

¹ As it is unclear whether claimant mailed a copy of her reconsideration request to the insurer, a copy of claimant's letter is enclosed with the insurer's copy of this order. In the future, claimant is reminded to send copies of any written information sent to the Board to the insurer.
