
In the Matter of the Compensation of
ATANACIO RICO, Claimant
WCB Case No: C092592
ORDER OF ABATEMENT
Glen J Lasken, Claimant Attorneys
Tom Harrell, SAIF Legal Salem, Defense Attorneys

Reviewing Panel: Members Lowell and Biehl.

On October 2, 2009, we approved the parties' claim disposition agreement (CDA). On October 6, 2009, we received the SAIF Corporation's request for reconsideration. Announcing that the CDA contained a clerical error, SAIF explained that an amended CDA was being forwarded to claimant and his counsel for their approval.

Because the motion was filed within 10 days of our approval, we are authorized to reconsider our previous approval of the CDA. OAR 438-009-0035(1). Consequently, we withdraw our approval of the parties' CDA in this particular case.¹

On receipt of the parties' amended CDA, we will proceed with our reconsideration. In the meantime, the parties are requested to keep us apprised of any future developments regarding their amended CDA.

IT IS SO ORDERED.

Entered at Salem, Oregon on October 8, 2009

¹ This abatement order does not alter our approval of the parties' CDAs in WCB Case Nos. C09-2585 and C09-2591.
