**ORDER OF ABATEMENT**

Reviewing Panel: Members Lowell and Biehl.

On January 29, 2009, as supplemented and modified, we republished our August 19, 2008 Third Party Distribution Order that resolved a dispute regarding a paying agency's share of claimant's third party recovery. In reaching our conclusion, we concluded that the present value of claimant's reasonably to be expected future medical costs should be determined as of June 1998. Contending that we erred in identifying June 1998 as the "determination date" and in calculating the amount to which claimant would be credited for prior reimbursements, Barrett Business Services seeks further reconsideration of our decision.

In order to further consider this matter, we withdraw our prior orders. Claimant and CNA are granted an opportunity to respond. To be considered, their responses must be filed within 14 days from the date of this order. Thereafter, we will proceed with our reconsideration.

**IT IS SO ORDERED.**
