In the Matter of the Compensation of  
**ZACHARY B. SEVERSON, Claimant**  
WCB Case No. 11-04270  
**CORRECTED ORDER ON REVIEW**  
Kryger et al, Claimant Attorneys  
MacColl Busch Sato PC, Defense Attorneys

Reviewing Panel: Members Langer and Biehl.

On August 3, 2012, we reversed an Administrative Law Judge's order that had upheld the self-insured employer's denial of claimant's nose injury claim. It has come to our attention that our order contains a clerical error. Specifically, the final sentence on page 2 of our order, indicates that the ALJ's decision was affirmed. To correct this oversight, we replace the word "affirm" on page 2 of our order with "reverse."

Accordingly, we withdraw our August 3 order. On reconsideration, as corrected herein, we republish our August 3 order. The parties' 30-day rights of appeal shall begin to run from the date of this order.

**IT IS SO ORDERED.**
