
In the Matter of the Compensation of
MIKE S. PARTRIDGE, Claimant
WCB Case No. 15-01439
ORDER OF ABATEMENT
Murphy & Buchal, Claimant Attorneys
Sather Byerly & Holloway, Defense Attorneys

Reviewing Panel: Members Lanning, Johnson, and Somers.

On July 21, 2016, we issued an Order on Review that affirmed an Administrative Law Judge's (ALJ's) order that upheld the self-insured employer's denials of claimant's new/omitted occupational disease claim for right carpal tunnel syndrome (CTS) and cubital tunnel syndrome conditions. Announcing that the parties have settled their pending dispute, claimant seeks abatement of our decision to await submission of their proposed settlement.

Based on claimant's uncontested representations, our July 21, 2016 order is withdrawn. On receipt of a proposed settlement, we will proceed with our review of the parties' agreement.

IT IS SO ORDERED.
