WCB Case No. 12-05670  
**ORDER APPROVING SETTLEMENT**

Reviewing Panel: Members Weddell and Johnson.

On November 12, 2015, we issued an order that affirmed an Administrative Law Judge's (ALJ's) order that found that claimant's cardiac medical treatment was directed to his compensable low back condition. The insurer petitioned the court for judicial review of that order. The parties have submitted a proposed "Disputed Claim Settlement" (DCS) that is designed to resolve all issues raised or raisable between them in this case (in lieu of all prior orders), as well as all issues raised or raisable in another case pending before the Board. (WCB Case No. 15-00035). We have approved those portions of the DCS that pertain to the case on Board review.

We are authorized to consider those portions of the parties' DCS that pertain to issues pending before the Court of Appeals. ORS 656.298(9)(a); *Rebecca E. Seelye*, 60 Van Natta 332 (2008). Pursuant to those portions of the DCS that pertain to this case, the parties agree that the insurer's denial, as supplemented by the agreement, "shall forever remain in full force and effect." The agreement further provides that the "Request for Hearing shall be dismissed with prejudice."

By this order, we approve those portions of the parties' DCS that pertain to this case, thereby fully and finally resolving their dispute, in lieu of all prior orders.<sup>1</sup> Accordingly, this matter is dismissed with prejudice.

**IT IS SO ORDERED.**

<sup>1</sup> Pursuant to the agreement, claimant agrees to waive his right to "file a claim for civil remedies arising out of the denied claim under ORS 656.019." Our approval of the parties' settlement is limited to matters arising under chapter 656. As such, to the extent, if any, that the parties' settlement purports to address civil matters that exceed chapter 656, our approval would not extend to such matters. *See Claude A. Benson*, 55 Van Natta 3935 (2003).
