In the Matter of the Compensation of  
**KERRI J. RAYMOND, Claimant**  
Own Motion No. 16-00025OM  
**OWN MOTION ORDER OF DISMISSAL**  
Philip H Garrow, Claimant Attorneys  
Gress & Clark LLC, Defense Attorneys

Reviewing Panel: Members Lanning and Johnson.

The carrier has submitted an “Own Motion Recommendation,” which opposed the reopening of claimant’s Own Motion claim for a “worsening” of her previously accepted condition. *See* ORS 656.278(1)(a). Thereafter, we received claimant’s announcement that she has withdrawn her claim, which prompted the carrier’s Own Motion Recommendation.

Based on claimant’s submission, we conclude that there is no Own Motion request for relief for us to resolve. Accordingly, this current request for Own Motion relief is dismissed.

**IT IS SO ORDERED.**
