
In the Matter of the Compensation of
OSCAR CANO-SANCHEZ, Claimant
Own Motion No. 14-00079OM
OWN MOTION ORDER OF ABATEMENT
Merkel & Associates, Claimant Attorneys
Sather Byerly & Holloway, Defense Attorneys

Reviewing Panel: Members Johnson and Weddell.

On December 3, 2015, we issued an Own Motion Order on Reconsideration that authorized the reopening of claimant's "worsened condition" under ORS 656.278(1)(a). Challenging our determination that claimant's injections and physical therapy constituted "curative treatment" and contending that our analysis conflicts with court and Board case precedent, the self-insured employer seeks reconsideration of our decision.

To further consider this matter, we withdraw our December 3, 2015 order. Claimant is granted an opportunity to respond. To be considered, that response must be filed within 14 days from the date of this order. Thereafter, we will proceed with our reconsideration.

IT IS SO ORDERED.
