CORRECTED ORDER ON REVIEW

Reviewing Panel: Members Curey, Weddell, and Somers.

On April 26, 2016, we affirmed an Administrative Law Judge's (ALJ's) order that: (1) admitted as evidence accident reconstruction reports presented by the SAIF Corporation; (2) reopened the record for admission of a physician's report presented by SAIF, including claimant's cross-examination of that physician; (3) determined that the medical services dispute for a proposed kyphoplasty surgery was moot; and (4) upheld SAIF's denial of claimant's medical services claim for several prescriptions. It has come to our attention that our order contains a clerical error.

Specifically, the "Order" portion of our decision indicated that the ALJ's order "dated May 6, 2013" was affirmed, whereas the correct date of the ALJ's final, appealable order was "April 7, 2014." To correct this oversight, we replace the aforementioned inaccurate date for the ALJ's final order as set forth in our prior order with "April 7, 2014."

Accordingly, we withdraw our April 26 order. As corrected herein, we republish our April 26 order, effective this date. The parties' 30-day rights of appeal shall begin to run from the date of this order.

IT IS SO ORDERED.
