

# IMAGING NEWS

## What Does The Board Do?

Aside from issuing Licenses and Permits, the Board ensures that Medical Imaging Rules and Statutes are being upheld.

You may not know it, but there are some technologists that practice without a valid license!

There are some technologists that engage in Unprofessional Conduct!

The Board reviews cases and imposes Disciplinary Action when appropriate to help these individuals understand the importance of adhering to rules and regulations and that disobeying established rules puts a negative mark on Medical Imaging as a whole.

Visit our Website and click on the top bar link to Disciplinary Cases to see what the Board does.

## HELP!

### Are you having issues getting RENEWED?

Please go to our website and click the  
BIG ENVELOPE

We are here to help!

[www.Oregon.gov/OBMI](http://www.Oregon.gov/OBMI)

## OBMI

### RULE-MAKING

The OBMI has filed  
new rule making.

All the details are on  
our website:

[www.Oregon.gov/OBMI](http://www.Oregon.gov/OBMI)

## **CULTURAL COMPETENCY CE FOR ALL RENEWALS**

---

1 HOUR of cultural competency CE is required for ALL renewals.

PLEASE BE MINDFUL OF YOUR SUBMISSIONS AND ENSURE THAT ANYTHING YOU SUBMIT ON YOUR APPLICATION IS APPROPRIATE AND RELATED TO THE SUBJECT MATTER.

Please check out the RAINBOW BUTTON on our website for the details on CE courses.

## **OBMI Sending out Postcards AND emails for Renewals**

---

You may have gotten a postcard for your renewal notice.

If we have the correct email for you, you may have gotten an email.

The postcards give valuable information to help you get your license or permit renewed.

**Starting December 2022, we will only be sending renewal notices via email! Please update us with your email ASAP!**
