

2013-14 District Collaboration Grants Awarded

This year, the Oregon Education Investment Board proposed key strategic investments to support Oregon's attainment of 40/40/20. Key to this work is a revitalization of the education profession and the establishment of a Network of Quality Teaching and Learning. Conceptualized and passed by the legislature in HB 3233, the Network provides funding for a comprehensive system of support for educators that creates a culture of leadership, professionalism, continuous improvement and excellence for teachers and leaders across the P-20 system.
