

Parent/Guardian Remote Test Administration Agreement

Each spring, students across Oregon in grades 3rd - 8th and 11th participate in the Oregon Statewide Assessments (e.g. English Language Arts, Mathematics, and Science). Some K – 12 students will also participate in Oregon’s English Language Proficiency Assessment (ELPA). Additionally, Oregon offers students in grade 3 – 12 the opportunity to participate in the SEED Survey and provide feedback on their learning experience. Oregon primarily uses these assessments to help families, schools, districts, and the state understand and improve student academic achievement.

Most students participate in these tests at school. However, to provide additional flexibility, the Oregon Department of Education is allowing districts an option for students to participate at home or another remote testing location if needed based on a student’s regular academic instruction (e.g. virtual, or online instruction).

When testing remotely, your child will have access to a test administrator who is supervising the assessment. This test administrator will be able to assist your child via chat. We also recommend, similar to online instruction, that your child have video/audio enabled. This allows the test administrator to both see and hear your student during the test and to communicate directly with your child when they need support during the test. The connection between the proctor and your student is direct and no one else will have access. Audio is recorded on the speaking domain for ELPA; video is not recorded.

To make sure the results are valid, ODE must ensure student participation is accurate and represents the student's learning. Additionally, ODE must maintain the security and confidentiality of all test materials. If you would like your student to participate at home or another remote testing location, you have several responsibilities. By signing this agreement, you agree to the following:

- I will not take any type of picture of the test.
- I will not assist my student with answering any test questions.
- I will not write anything about the test, on paper or electronically.
- I will not disclose any secure test materials, including test questions and answers.
- I have read the Parent/Guardian Agreement and reviewed the Student Agreement on the reverse side of this document.
- I understand that parents and students who engage in inappropriate conduct with respect to Oregon’s assessments may be subject to actions including, but not limited to, a student’s test being invalidated.
- I agree that it is important that my child complete all of the activities of the assessment independently.
