

High School Success Plan
2021-2023

Lead Organization **Lake County School District #7**

| | |
|--|---|
| Goal #1 | All Students who leave the 9th grade will be on track to graduate. |
| Short-Term Outcome | Monthly 9th grade teachers and support staff will meet to discuss the academic progress, attendance, activities participation, and other data and student plans written for those who are pre-identified for not being on track, |
| Long-Term Outcome | An effective system that uses data-driven best practices will be in place so that over 90% of our 9th graders are on track to graduate and there are written strategic plans for those who are not on track. |
| Goal #2 | Increase our students' knowledge and preparedness for post-secondary life. |
| Short-Term Outcome | Continue to support programs/courses such as AVID, ELL field trips, Career, and Personal Finance Class, CTE programs, and connections to careers. Use of programs such as CIS in our health classes. |
| Long-Term Outcome | The percentage of students and specifically students of identified sub-groups will increase in our advanced and CTE courses. This can be measured through a comparison of 9th grade and 12 grade survey data (exit survey). |
| Goal #3 | Decrease the absenteeism rate for all students. |
| Short-Term Outcome | Monthly attendance meetings to track students of concern and plans put in place to address the concern. Include school staff and community partners to support the plans. |
| Long-Term Outcome | Increase student attendance rate by 10% and a systematic process in place to address and support all students with chronic absenteeism. |
| Dropout Prevention Activity #1 | Step-up, our on-campus alternative education classes where students work independently. Most of the course work is through an online program, some instruction is provided through the class teacher. Students may be working on just one course(credit retrieval) or multiple courses. |
| Goal(s) this activity addresses | Goal 1 , Goal 3 |
| College Level Opportunities Activity #2 | Dual-credit, concurrent, and AP courses. |
| Goal(s) this activity addresses | Goal 2 |
| College Level Opportunities Activity #3 | Establish a College/Career Fair |
| Career Technical Education Activity #1 | Purchase of equipment, facilities upgrades, and staff development so that our CTE departments are current with industry standards. This activity will support 3 of our CTE programs (Woods/Construction, Metals/AG, and Culinary). |
| Goal(s) this activity addresses | Goal 2 , Goal 3 |
