

The Klamath Tribes: C'Waam and Koptu

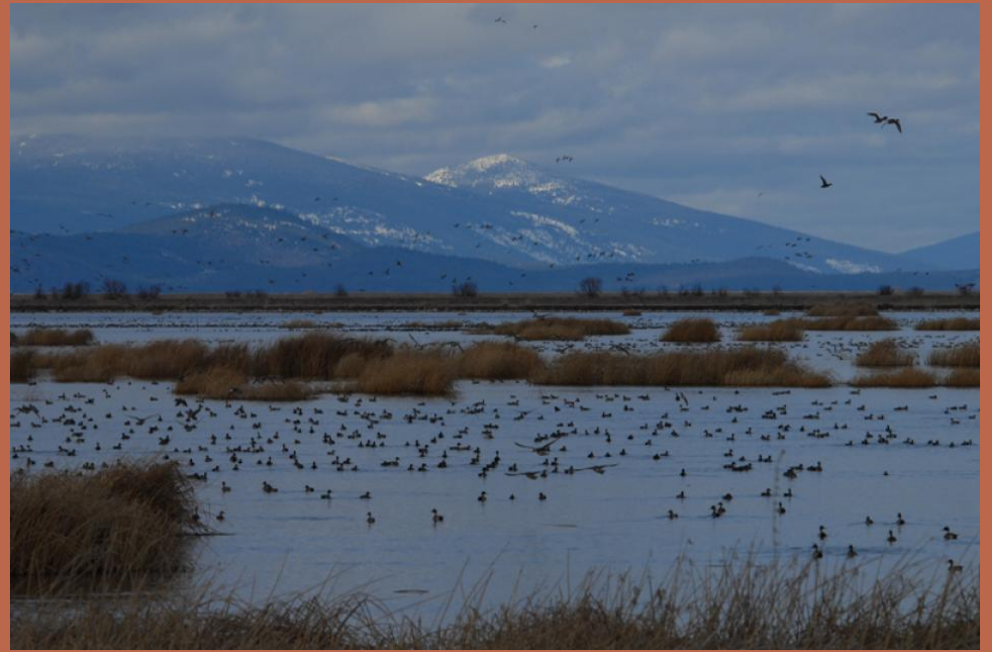

Lesson 1: Introducing the C'Waam and Koptu Fish

C'Waam & Koptu

Endemic –

They are only found
here in the Klamath
Basin!

They are very important fish to someone else here:

The Klamath Tribes

 - Coyote
 - other Animals
- Fished
 - Salmon
 - Trout
 - C'Waam
 - Koptu

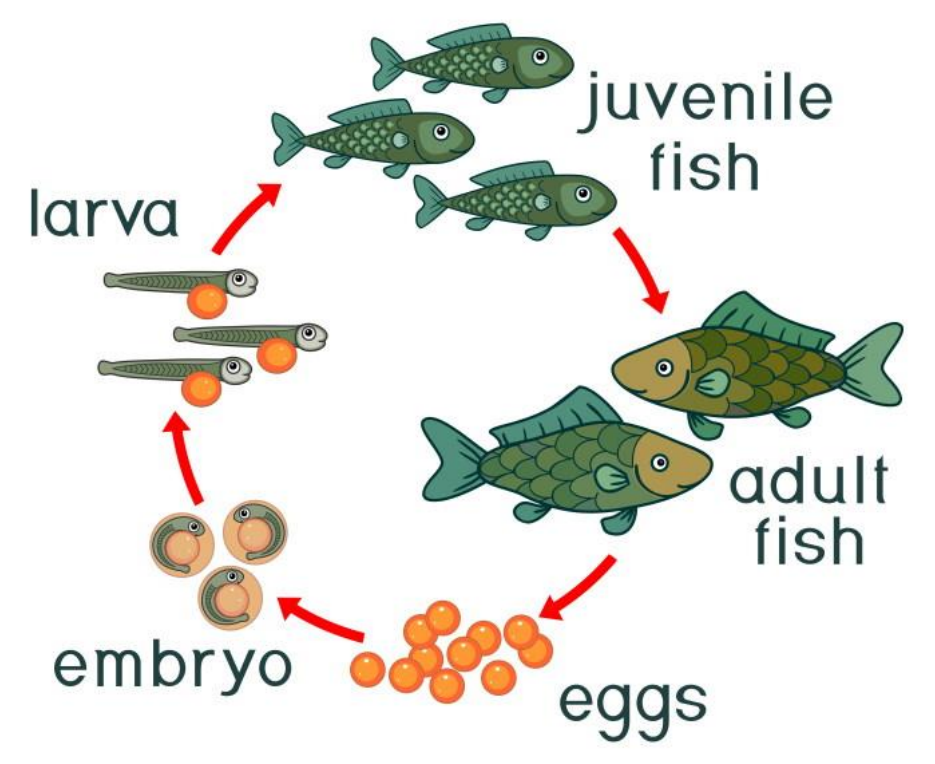

C'Waam and Koptu

Lesson 2: C'Waam and Koptu Survival Strategy

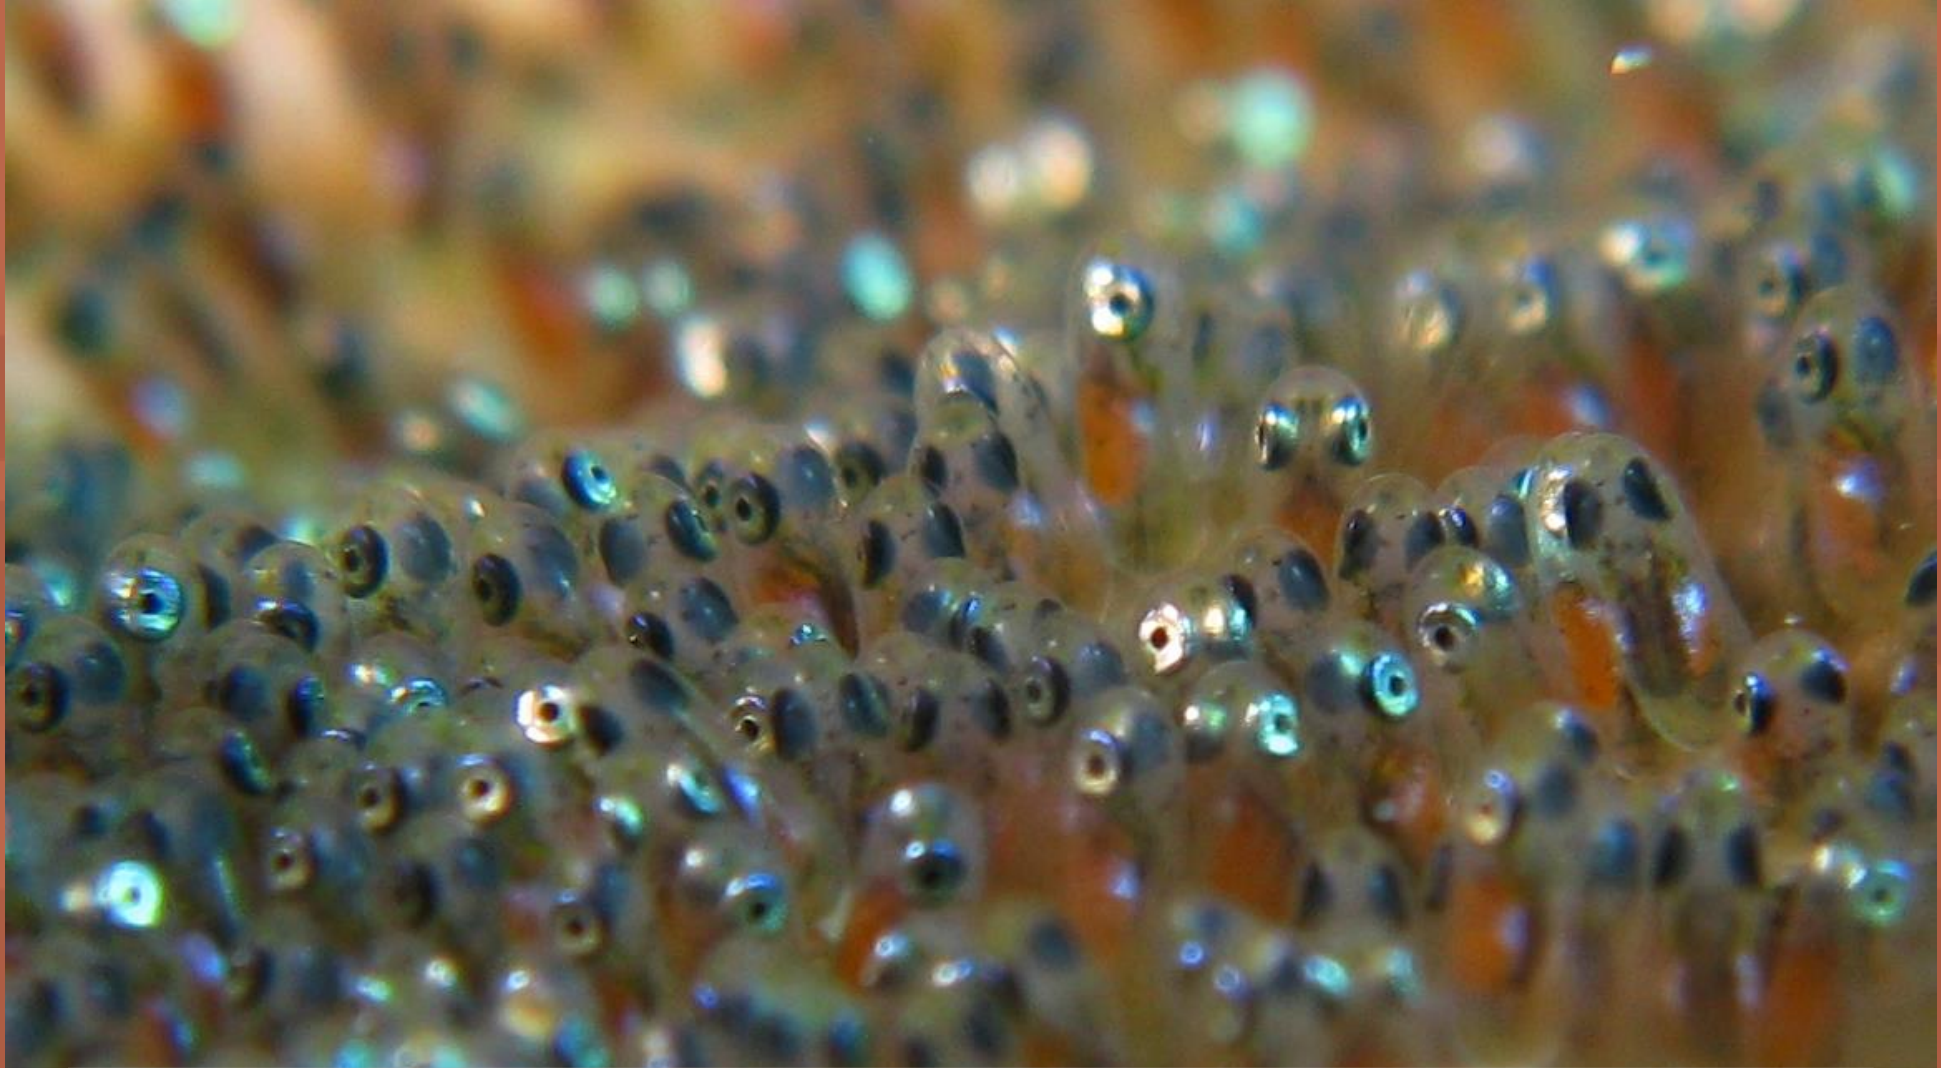

Most fish make babies by laying eggs that grow into adult fish.

**C'Waam hide
their eggs to
protects them.**

From who?

C'Waam lay many eggs.

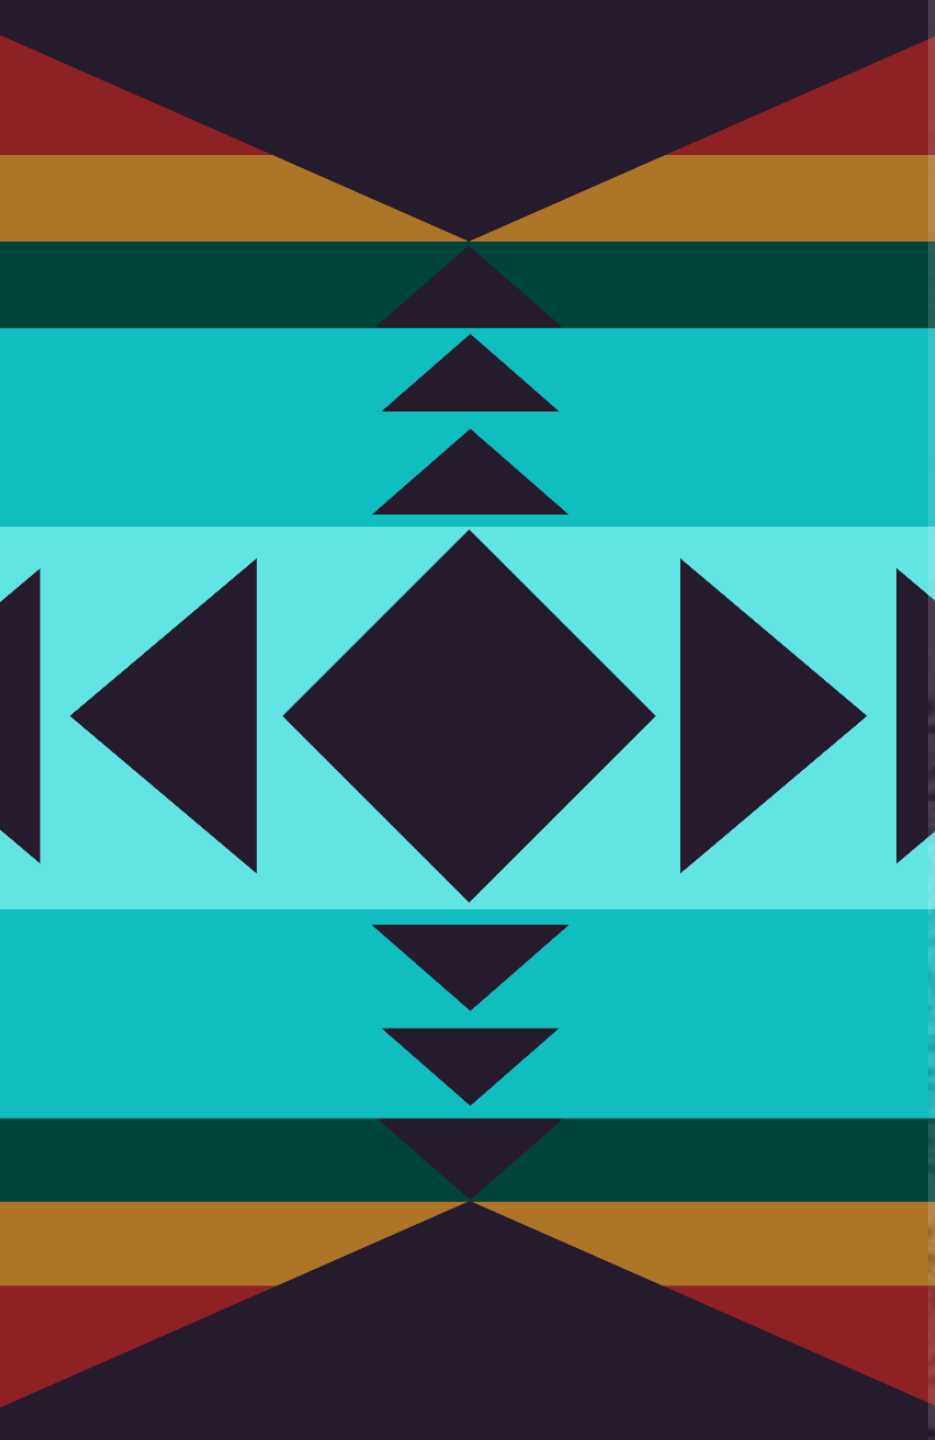

Why do the baby fish swim at night?

Lesson 4: The C'Waam Ceremony

The Creator said:

**Celebrate
and
Be Thankful**
