MEETING CHAT:

10:08:46 From RAC-Chris Adlam (OSU Ext. Fire Program) to Everyone:

Agreed

10:16:09 From Michael Orman - DEQ (he/him) to Everyone:

Need to step away for a moment. I'll be right back.

10:16:44 From RAC-Chris Adlam (OSU Ext. Fire Program) to Everyone:

Do neighbors include federal agencies?

10:41:21 From RAC-Chris Adlam (OSU Ext. Fire Program) to Everyone:

I strongly agree that cultural burning should be called out specifically due to specific implications of tribes being sovereign nations with their own objectives for burning

10:51:23 From RAC - Amanda Rau (OSU) to Everyone:

Hopefully the liability study under HB2572 will help with that as well.

10:52:38 From RAC, Amanda Astor - AOL to Everyone:

Thanks Amanda! Figured this may be a liability question rather than the education and training we are talking about here. Hard to stay in this specific lane sometimes.

10:55:45 From RAC - Amanda Rau (OSU) to Everyone:

This is a realistic situation, we have folks in Washington who would want certification here.

10:59:54 From Michael Orman - DEQ (he/him) to Everyone:

good point, Amanda
