

	Question Number	Question	How we will score	Points (Max)
Eligibility	3.2	Will the project contribute to development of an accessible biking and/or walking path to high need locations (i.e. transportation disadvantaged areas, schools, shopping or employment centers, medical services, connections to transit and regional paths, and downtowns)?	Eligible/ Ineligible	0
	3.3	Will the project contribute to development of a biking and/or walking path in areas where no connections exist, transportation options are limited, or significant safety concerns are addressed by the improvement?	Eligible/ Ineligible	0
	3.3A	Will the project contribute to development of a continuous path made up of one or more connected segments that (Check all that apply): <input type="checkbox"/> Primarily serves a transportation purposes primarily physically separated from the roadway <input type="checkbox"/> Connects two or more communities, with each community no more than 15 miles apart, or traverses through a single large community with a path that is 10 miles or longer. <i>Large community defined as any single community that can accommodate the proposed path 10 miles or longer within its boundaries</i> <input type="checkbox"/> Will serve as a connection point for people commuting between communities, or is a part of an officially designated walking and bicycling route as shown in a local, county or regional plan <input type="checkbox"/> Is endorsed by elected bodies along path alignment, as indicated in a local, county or regional plan.	Eligible/ Ineligible	0
	3.5	Is your project included/supported in a local or regional plan (e.g. Comprehensive Plan, Transportation System Plan, Safe Routes to School Action Plan, Corridor plan, Area Master Plan, Active Transportation plan, or other locally adopted plan)?	Eligible/ Ineligible	0
	3.6a	How does the proposed project address the above problem statement? Explain why the proposed project is the right solution to the problem.	Answer addresses the problem, Y/N	0
Equity	5.2	What is your Transportation Disadvantaged Index Score?	1.841-2.3 = 100	100
			1.381-1.840=75	
			0.921-1.380 = 50	
			0.461-0.920 = 20	
			0-0.460 = 0	

Safety	5.5	Is the project providing a parallel route to a specific road with the road having the following characteristics?		50
	5.5b	If yes, is the posted speed or 85th percentile speed of traffic 40 miles per hour or greater,	Yes - 5 No - 0	
		<input type="checkbox"/> Posted speed limit 30 miles per hour or greater;	Yes - 5 No - 0	
		<input type="checkbox"/> More than 2 lanes or a crossing distance greater than 30 feet;	Yes - 5 No - 0	
		<input type="checkbox"/> 12,000 or greater annual average daily traffic;	Yes - 5 No - 0	
		<input type="checkbox"/> Has one or more bicyclist or pedestrian involved crashes in the last five years.	Yes - 20 No - 0	
Outreach	6.1	What community outreach have you conducted, AND is there significant, or only some public support? (attach letters of support)	Significant - 10 some - 5 none - 0	10
	6.2	Public Outreach Plan included as part of Scope of Work	Yes - 20 No - 0	20
		Application includes a diverse range of leaders and stakeholders to assess needs, identify gaps, establish priorities, and develop solutions.	Yes = 10	10
		Application addresses the needs expressed by historically excluded communities, and describes benefits and burdens to those communities	Yes = 10	10
		Is there an opportunity through this program to increase safety and/or access for those historically excluded that does not directly address the purpose of the program? (Access to transit, Safe route to school, hospitals/clinics)	Yes - 10	10
		Outreach to historically excluded communities has been done as part of project development (construction) or will be done (project refinement)	Yes - 10 No - 0	10
Project Readiness		Project is in a local plan?	Yes - 20 No - 0	20
	7.2	Are there any known environmental hazards within or adjacent to the project area?		0
		<input type="checkbox"/> Yes	0	
		<input type="checkbox"/> No	0	
		<input type="checkbox"/> Don't know	0	
	7.4	Do you currently own the Right of Way for the proposed project (including project refinement) or have an easement for the proposed project?		0
		<input type="checkbox"/> Yes	0	
	<input type="checkbox"/> No (must have property owner support as a deliverable product if awarded	0		
7.6 (NEW)	Will this path, if constructed, go through restricted areas (farmland, agricultural reserves), that would require special-use permits?		0	
	<input type="checkbox"/> No (must have property owner support as a deliverable product if awarded	0		
	<input type="checkbox"/> Yes	0		
Cost Benefit		Detailed project cost estimate appears reasonable, including recommended contingency fees of 30%		50
		Yes	20	
		Applicant Scope of Work and deliverables are consistent with the SOW outline provided with application worksheet and guidelines.	30	
		Schedule appears realistic? Task timelines appear reasonable. Project completion within 18 months	10
