

# TRANSPORTATION SAFETY WORKSHOPS & OPEN HOUSES

## We want to hear from you!

The Transportation Safety Office wants to make sure that we hear from each corner and from all communities in the state with feedback, project ideas, and concerns to better serve the state of Oregon. This spring, we will be hosting eight in person sessions where community members can make their voices heard. If one of these sessions does not fit into your schedule, be sure to fill out our survey using the QR code or the link!
