Re: SCAN Group – CareOregon Notice of Material Change Transaction and Form A  
Statements

Dear Mr. Horwich:

This letter serves as notice that SCAN Group and CareOregon have made the difficult decision to withdraw the Notice of Material Change Transaction and Form A statements filed with the Oregon Health Authority and Department of Consumer and Business Services. Their intent in coming together was to support Oregon's health care system and the people that CareOregon serves. However, despite their efforts, there are still questions about their combination. As a result, SCAN Group and CareOregon have mutually agreed to terminate the Affiliation Agreement and withdraw associated regulatory filings.

Nothing in this withdrawal waives or limits the confidentiality rights afforded to certain documents and information submitted pursuant to the Notice of Material Change Transaction and Form A statements.

Regards,

Timothy Hatfield
