

Oregon's Health Care Market Oversight Program

List of Safe Harbor Excluded Transactions

Revised December 3, 2021

The following guidance is intended to inform health care entities about the types of transactions that are **excluded** from the Health Care Market Oversight Program and are therefore not subject to review. The Oregon Health Authority may update and re-post this document on the program website at any time.

Program website: <https://www.oregon.gov/oha/HPA/HP/Pages/health-care-market-oversight.aspx>

Excluded Transactions:

Date Added	Transaction
12/3/2021	Material change transactions in which one of two entities involved in the transaction is a solo practice and the transaction is the direct result of either the death or retirement of the provider in the solo practice.
