2018 Required Documentation

In order to for our staff to process and pay your attestation, the following documentation must be received:

1. 2014, 2015, or 2014/2015 combo. edition CEHRT documentation

2. 2018 Security Risk Analysis (SRA)

3. MU Report/EHR Scorecard

4. Objective 10, Measure 3 (Specialized Registry) documentation

Note: Other documentation may be required on a case-by-case basis (e.g. patient volume spreadsheet)

For more information, see the 2018 Required Documentation handout.

Audit Reminder

Maintain all original EHR Incentive Program attestation documentation for at least **seven (7) years** because you may be required to provide it in the event of a post-payment audit.

Questions?

Using Oregon's
Clinical Quality Metrics Registry (CQMR)
for 2018 eCQMs

Kate Lonborg, CQMR Program Manager, OHA

CQMR Key Dates

- **January 14, 2019:** Go live for Medicaid EHR Incentive Program to report 2018 eCQMs
  - MAPIR will open for 2018 attestations on the same date

- **February 1, 2019:** Go live for Merit-based Incentive Payment System (MIPS) and Comprehensive Primary Care Plus (CPC+) support
  - If you participate in multiple programs, you may choose to use CQMR to send eCQMs to CMS for MIPS or CPC+ reporting

- **TBD:** Going live later for CCO incentive measures – plan to use for pilots ahead of 2019 reporting

CQMR – Onboarding Steps

- **Set up OneHealthPort account for Single Sign-On**
  - Register your organization or if already registered, connect with your administrator
  - Identify end users and assign them appropriate roles

- **Sign legal agreements**
  - Legal agreements will be posted on the onboarding page
  - Signed legal agreements should be returned to Oregon.CQMR@dhsoha.state.or.us

- **Review training materials, webinars**
  - Details and materials:

    https://www.oregon.gov/oha/HPA/OHIT/Pages/CQMR-Onboarding.aspx

MAPIR and CQMR

- **Only eCQM reporting is switching to CQMR**

- You will still use MAPIR for most components of attestation (e.g., patient volume, MU objectives, supporting documentation)

- You can do MAPIR and CQMR work in any order

  – Start in MAPIR for attestation components for one or more EPs and then go to CQMR to upload eCQMs – or vice versa

Using the CQMR – Highlights

To submit data, ask your organization's OneHealthPort administrator for a Quality Reports and Data Entry role

- Other roles (Quality Manager, Quality Reports) are view only
    - For explanations of roles, visit CQMR Resources page

- You won't be able to access the system if you log in to CQMR before your organization signs legal agreements

Using the CQMR – Highlights (continued)

- You can upload eCQMs for multiple EPs – you do not need to set up a different account for each EP

- Options to submit eCQMs in QRDA 3 or Excel template (template is available on Program Year 2018 webpage); no more manual entry of eCQMs into MAPIR

- Multiple options for data transport:
  - Quality Measures Upload tab in CQMR portal
  - SFTP
  - Direct secure message
  - API
