

Care Coordination & Intensive Care Coordination (CC/ICC) 2022 Learning Collaborative Series

The Oregon Health Authority (OHA) Transformation Center is hosting a monthly virtual learning collaborative to support Coordinated Care Organizations (CCOs) and other organizations that provide care coordination services to Oregon Health Plan (OHP) members. The year-long learning collaborative will provide support toward understanding and meeting CCO 2.0 care coordination requirements and facilitate sharing of CC/ICC best practices for advancing equity, improving health outcomes, and achieving the goals of Oregon's CCO model.

Date August 18, 2022
Time Noon – 2:00 PM
Location Virtual, over [Zoom](#)

Session Objectives

- Learn more about Oregon requirements for CC/ICC
- Identify goals, objectives, and strategies for CCO Care Coordination
- Identify goals, objectives, and strategies for PCPCH Case Management
- Give examples of CCO and PCPCH coordination successes and opportunities
- Examine and discuss case examples, potential barriers, and pathways for collaboration
