Become a Qualified Medical Interpreter

Meet the State of Oregon's requirements for Medical Interpreting

Picture yourself as one of the many Limited English Proficient (LEP) people across the United States. Those who struggle or are unable to speak English. Imagine the feelings you have as your knowledge of your health is in someone else's hands. This could feel scary or stressful.

This is why health care interpreters matter. They are the only bridge between health care and the LEP patient. Not only do these interpreters speak both languages, they have also been trained to explain medical terminology. Their job exists to make sure all patients get the same quality of health care as everyone else.

AllCare CCO has developed a 64 hour interpreter training that meets the state of Oregon's requirements to become a Qualified Medical Interpreter.

Please reach out to Stick Crosby at (541) 471-4106 or Stick.Crosby@allcarehealth.com

The cost is \$750.00 for the 8 day training and \$100.00 for the text book. Lunch will be provided and scholarships are available. Course requirements are on the back of this flyer.
